

What is this Promotion about?

As part of the Revolut x Influencer Top Up Promotion (**the "Promotion"**), Revolut is offering users in Spain the opportunity to sign up to Revolut for the first time and receive a Top Up Offer (**the "Offer"**), net of taxes. The Offer is an award in the form of a top-up that you can use for any physical or virtual Revolut card payments. Please read carefully these Terms and the eligibility criteria set out below.

In order to receive the Offer you must sign up to Revolut through a unique link from the Partner that has promoted the Offer (**the "Partner"**). The Promotion will run for a specific period of time (**the "Promotion Period"**). The Promotion Period and the amount of the Offer will be clearly set out on the Revolut page when you click on the unique link for the Promotion (**the "Landing Page"**). It will also be set out on the Partner's website if the Partner operates this.

Users based in **Spain** will be eligible for the Offer, as long as they meet the eligibility criteria within the Promotion Period. The eligibility criteria are set out below in **"Who is eligible for the Promotion?"**.

If you are eligible you will need to complete the steps in **"What do I need to do to take part in the Promotion?"** before the end of the Promotion Period.

The Promotion Terms set out the rules that apply to the Promotion and you must comply with these Promotion Terms, as well as the terms that apply to your Revolut Personal account, at all times when participating in the Promotion.

These terms and conditions (**the "Promotion Terms"**) govern a number of different promotions, (each a **"Revolut x Influencer Promotion"**). Each Promotion is brought to you by Revolut Bank UAB, Sucursal en España (**"Revolut"**).

Who is eligible for the Promotion?

To be eligible for the Promotion, you must:

- Be a new Revolut Personal customer. If you are currently a Revolut customer, or have been a customer or started the sign-up process in the past, you are not a new customer and so are not eligible;
- Live at a residential address in Spain;
- Follow the steps specified in the section below ("What do I need to do to take part in the Promotion?") To follow these steps you will have to receive marketing directly from the Partner about the Promotion or see the Promotion marketed on the Partner's website.

What do I need to do to take part in the Promotion?

To take part in the Promotion you will need to complete all of the following steps. You must complete all of the steps by the end of the Promotion Period in order to receive the Offer:

- Click on the unique link for the Promotion. This link will be on the Partner's social media or website or will be contained in the email/SMS/push notification from the Partner;

On the Revolut website, you will also be able to see the important details in relation to the Promotion, including the Promotion Terms, the Promotion Period and the amount of the Offer available to you;
- Once you have provided your phone number, you will be directed to the sign-up flow for a Revolut Personal account. You will need to follow the steps for opening a Revolut Personal account and complete our Know Your Customer checks ("KYC");
- You will need to be onboarded successfully to Revolut. This means you will have to pass KYC with a registered address in a Spain and there must be no restrictions on your account;
- Once you pass your KYC, you will need to make your first Customer Top Up. Your first Customer Top Up can be made by bank transfer or by using a debit card that you have registered with us; and
- Once you have topped up your account you will need to use your balance to make one or more virtual or physical Revolut card payments. The required total value of the transactions will be specified in the Landing Page. Each transaction must also be a genuine purchase to count towards this total amount (for example, card transactions to payment service providers and money transfers will not count towards the required total transaction amount). Don't worry - you don't need a physical card to make payments: you can easily generate a virtual card in the app and use it for this purpose. And if you don't have enough balance for a particular transaction, you can make a further Customer Top Up by bank transfer or debit card.
