## What’s the cash giveaway, and how is the winner decided?

The cash giveaway is ten individual cash amounts of £100 each.

Revolut will select 10 individual users to win one cash giveaway each. These winners will be selected at random after the Promotion Period ends.

Winners will be notified within the Revolut app and the cash amount will be paid into their Revolut account within two weeks of the end of the Promotion Period. Payments will be made in GBP to the user’s Revolut account. If they don’t already have a GBP account, then one will be created and the prize will be deposited to that account.

If a winner’s Revolut account is closed before a prize is awarded and paid then the user will forfeit the giveaway.

We may, at our discretion, choose to award additional cash or no cash prizes.
