

What is this Promotion about?

As part of the Revolut x Netmums Promotion (“**the Promotion**”), Revolut is offering Netmums’ customers, who are residents of the United Kingdom, the opportunity to sign up to Revolut for the first time and receive 3-months of Revolut Premium Plan for free (the “**Free Trial**”).

In order to receive the Free Trial you must sign up to Revolut through a unique link on the Revolut x Netmums webpage between **28th June 2022 00:00 GMT and 7th August 2022 23:59 GMT** (the “**Promotion Period**”).

These terms (the “**Promotion Terms**”) set out the rules that apply to this Promotion, and you must comply with these Promotion Terms and also the terms that apply to your Revolut Personal account at all times when participating in this Promotion.

What do I need to do to take part in the Promotion?

To be eligible for this Promotion, you must:

- Live at a residential address in the United Kingdom;
- Not already have an open Revolut Personal account; and
- See the Promotion marketed in Netmums’ newsletter and/or on Netmums’ social media so you can follow the below steps to benefit from the Promotion.

You will also need to complete the following steps:

- The Netmums newsletter and social media posts referring to Revolut Junior will direct you to an article on the Netmums’ website featuring Revolut Junior. This Revolut Junior article on Netmums website, includes a link that will re-direct you to the Revolut x Netmums webpage where you will need to enter your phone number and click on the “Get Started” button. Once you’ve done this you will be directed to the sign up flow for a Revolut Personal account and will be offered the Free Trial;
- Follow the steps for opening a Revolut Personal account and complete our Know Your Customer (“KYC”) checks before the end of the Promotion Period. If you already have a Revolut Personal account you won’t be eligible for this Promotion; and
- Be successfully onboarded to Revolut (this means you have to pass KYC) with a registered address in the United Kingdom with no restrictions on your account before the end of the Promotion Period.

How do I start my Free Trial?

You can start your Free Trial and take part in the Promotion if you meet the eligibility criteria and have completed the steps outlined in **“What do I need to do to take part in this Promotion?”**. To start your Free Trial, you will need to complete the steps to upgrade your Revolut Personal account to the Premium Plan **within 72 hours of your Revolut Personal account being successfully opened, even if the 72 hour period expires after the end of the Promotion Period**. This means your Revolut Personal account must be successfully opened before the end of the Promotion Period but it doesn't matter if you don't upgrade to Premium until after the end of the Promotion Period; you'll still be able to start your Free Trial as long as you upgrade before the 72 hour cut off.

Just so you know, the terms and conditions for your Premium Plan (see [Plus, Premium and Metal Terms](#)) will apply to you during your Free Trial. We will not charge you for the period of time included in your Free Trial. We'll tell you in the Promotion dashboard how long you'll receive the Premium Plan for free (3 months) so you're aware before you sign up - you'll also be able to see this information in these Terms.

You have the right to cancel your Premium Plan during the Free Trial (your “cooling off period”). Note that the cooling-off period will last for the duration of the Free Trial.

If you ordered a card during your Free Trial and then cancel your Premium Plan before the end of the Free Trial, you will have to pay us back for the card delivery fee. You may also have to pay back the card delivery fee if you ordered a second card or additional Revolut cards and you decide to cancel the Premium Plan within your Free Trial. This is to cover our costs. For this reason, it might make sense to hold off on ordering the card until you decide if you want to keep the plan. Please refer to the [Premium fees page](#) to see the fees associated with card delivery.

On the expiry of the Free Trial, you will remain on your Premium Plan (unless you tell us otherwise) and normal cancellation and billing rules will apply (the cooling-off period will no longer apply). Our paid plans have a 12 month term whether you choose to pay-monthly or pay-annually. We'll start taking payments for your Premium Plan either monthly or yearly depending on what you agreed to when you signed up for the Premium Plan.

You can also end your Premium Plan at any time after the Free Trial. However, fees may apply if you do. See the “Fees for downgrading your Plus, Premium or Metal subscription” section of the [Plus, Premium and Metal Terms](#) for more information on the normal cancellation rules that apply once your Free Trial ends.
