

What is the promotion about?

Revolut is looking to reward users who have never made a booking on Revolut Stays before with a bonus cashback.

Any user who makes their first booking on Revolut Stays is eligible for a bonus cashback of up to 10% (capped at £200/€200, or your local currency equivalent). The actual bonus cashback received is randomised between 2% and 10%. The bonus cashback is paid in addition to any standard cashback. We call this the **"Bonus Cashback"**.

This promotion runs from 8 June 2022 to 15 July 2022. We call this the **"Promotion Period"**. You must meet all the criteria during the Promotion Period. If you do not, or if you partially meet a criteria during the Promotion Period, you will not receive a Bonus Cashback.

Who is eligible for the promotion?

Any Revolut user who is eligible for Stays but has not made a booking using it before is eligible for the Bonus Cashback.

If you have made any booking on Stays before, of any time, even if it was canceled, you are not eligible for the Bonus Cashback. This promotion is for first bookings only.

Which type of bookings are eligible for the promotion?

Only Pay Now bookings are eligible for the Bonus Cashback. Pay Later bookings are not eligible for the Bonus Cashback (but will still receive any regular cashback).

Remember, only your first booking is eligible for the Bonus Cashback. This means you will not receive any Bonus Cashback on a second or subsequent booking.

What do you need to do to earn the Bonus Cashback?

All you need to do to earn the Bonus Cashback is make your first booking.

To do this, just go to the Revolut Stays section in the app, select your accommodation, and make the booking using Pay Now.

You will instantly receive the Bonus Cashback (and any regular cashback) directly into your Revolut account.

How much Bonus Cashback will I receive?

You will receive a Bonus Cashback of between 2% and 10% (subject to the cap explained in the next paragraph). The exact amount each user receives on their first booking is randomised and will be shown to you after the booking is made.

The Bonus Cashback is subject to a maximum cap:

- If the base currency of your account is EUR, then the cap is €200.
- If the base currency of your account is GBP, then the cap is £200.

- If the base currency of your account is a different currency, then the cap is the equivalent of £200 in your local currency.
