

Revolut Metal Cashback Promotion Terms

What is this Promotion about?

As part of the Revolut Metal Cashback Promotion ("**The Promotion**") Revolut will award cashback to a select number of lucky Revolut customers who:

1. Are subscribed to the Revolut Metal plan during the Promotion Period; and
2. Make eligible card payments as a Metal subscriber during the Promotion Period.

Each winner will be eligible to receive cashback up to the value of 100% of their winning card payment. The maximum total cashback amount is capped at £300 / EUR 300 / BGN 600 or NOK 3000 (depending on the base currency of your country) per winning card payment ("**The Cashback Award**"). Each Revolut customer may win only one Cashback Award.

This promotion will run from **12:01 GMT on 1 March 2023 to 12:00 GMT on 15 March 2023** ("**The Promotion Period**").

Who is eligible to take part in the Promotion?

To be eligible for this Promotion, you must have:

- a personal account with Revolut Ltd, Revolut Bank UAB or its branch in France (this means that you are not eligible if you hold a business account);
- completed our sign-up process and passed our Know Your Customer ("**KYC**") checks;
- a positive account balance;
- a registered account address in an Eligible Market; and
- personally received **an email or push notification or a message in your inbox** regarding the Promotion or **have seen an in-app invitation** from Revolut to participate in the Promotion. (You will only receive this type of communication if you have already provided your personal data to us and are happy for Revolut to send marketing to you).

In addition, only customers who are currently on the Standard plan are eligible to receive one month of Revolut's Metal Subscription Plan for free. (All customers - whatever plan they currently have - are eligible for the Cashback Award if they are on a Metal plan and spend during the Promotion Period.)

Finally, your account must not be suspended, closed or restricted in any way.

What are the Eligible Markets?

The Eligible Markets for this Promotion are:

- England, Scotland and Wales if you are a Revolut Ltd customer; and
- Austria, Belgium, Bulgaria, Estonia, Finland, France, Germany, Iceland, Latvia, Lithuania, Netherlands, Norway, Slovenia, Slovakia and Spain if you are a customer of Revolut Bank UAB or its branch in France.

How do I participate in this Promotion?

Free Trial

To receive one month of Revolut's Metal Subscription Plan for free ("**The Free Trial**") you need to upgrade your current Standard subscription plan to Revolut's Metal Plan during the Promotion Period. You can find more information on the Free Trial offer below.

Cashback

If you are not already on the Metal plan, to be eligible for the Cashback Award you must first upgrade your current Standard, Plus or Premium subscription plan to Revolut's Metal Plan during the Promotion Period. (Please note that only customers currently on the Standard plan are eligible for the Free Trial.)

Once you are on the Metal plan, you need to make a transaction using your Revolut account. We call each of these transactions an "**Eligible Transaction**".

We will only include transactions as Eligible Transactions if they are completed, processed and recorded in Revolut's system by **12:00pm GMT on 15 March 2023**.

Please note that we can't treat a transaction as an Eligible Transaction if doing so would break any law or regulation. You should also know that the transaction must be to pay for goods or services; therefore, if the payment you make is just to another account or payment card (such as an e-wallet, a bank account or a card account), we will not treat this as an Eligible Transaction.

On **22 March 2023**, Revolut will compile a list of all Eligible Transactions and do two draws:

- In the first draw, we will select as a winning transaction every 5,000th Eligible Transaction made by customers who have upgraded to Metal from Standard, Plus and Premium plans;
- In the second draw, we will select as a winning transaction every 10,000th Eligible Transaction made by customers who were on the Metal plan at the start of the Promotion Period.

Each customer is eligible to receive cashback up to the value of 100% of their winning card payment. The maximum total cashback amount is capped at £300 / EUR 300 / BGN 600 or NOK 3000 (depending on the base currency of your country) per winning card payment ("**The Cashback Award**"). Each Revolut customer may win only one Cashback Award.

How do I receive my Cashback Award?

If you are selected as a winner, you will receive an email confirming that you have won. Revolut will credit the Cashback Award into your Revolut account within 2 business days of us sending you notification of your win.

Free Trial

Only customers who are on our Standard plan prior to this Promotion are eligible for the Free Trial.

In order to receive the Free Trial you must follow the steps to upgrade your Revolut account through the unique link we shared with you informing you of this Promotion. You do not need to be selected as a winner of the Promotion Prize in order to access your Free Trial.

Just so you know, the terms and conditions for the subscription plan you are being offered as part of the Promotion (see [Plus, Premium and Metal Terms](#)) will apply to you during your Free Trial.

We will not charge you for the period of time included in your Free Trial. The duration of the Free Trial will be made known to you when you click on the unique link for the Promotion. You will also be able to see this information in the Promotion dashboard in your Revolut App. On the expiry of the Free Trial, normal cancellation and billing rules will apply and we'll start taking payments for your subscription either monthly or yearly depending on what you agreed to when you signed up for the paid plan.

If you order a Metal card during your Free Trial period and then cancel your subscription plan before the end or at the end of your Free Trial period, we will charge you £40 (or the equivalent in your local currency) and the delivery fee. This is to cover our costs. For this reason, it might make sense to hold off on ordering the Metal card until you decide if you want to keep the plan. You may also have to pay a card delivery fee if you order another card or additional Revolut cards and you decide to cancel your subscription plan within your cooling off period. Please refer to the Subscription plan fees page to see the fees associated with card delivery.

You have the right to cancel your subscription plan within the Free Trial (your **"cooling off period"**) but after the Free Trial period ends, normal cancellation rules will apply.

Make sure you remember that our paid plans are all on 12 month terms whether you choose to pay-monthly or pay-annually. You can leave these paid plans early, but fees may apply if you do. See the "Fees for downgrading your Plus, Premium or Metal subscription" section of the Plus, Premium and Metal Terms for more information.
