What do I need to do to take part in the Promotion?

To be eligible for this Promotion, you must:

- Live at a residential address in **Germany, Spain, Poland, France, United Kingdom Netherlands, Italy**; and
- Either receive marketing directly from Kinguin about this Promotion or see the Promotion marketed by Kinguin so you can follow the below steps to benefit from the Promotion.

You will also need to complete the following steps:

- Kinguin's marketing of this Promotion will direct you to a unique landing page created for this Promotion - this will redirect you to Revolut's website where you will need to provide your phone number. Once you have provided your phone number, you will be directed to the sign up flow for a Revolut Personal account;
- Follow the steps for opening a Revolut Personal account and complete our Know Your Customer ("**KYC**") checks before the end of the Promotion Period;
- Be successfully onboarded to Revolut (this means you have to pass KYC with a registered address in Germany, Spain, Poland, France, United Kingdom, Netherlands or Italy with no restrictions on your account) before the end of the Promotion Period.

You must successfully complete the above steps by the end of the Promotion Period in order to receive the Free Trial and the Cashback Offer.

How do I start my Free Trial?

You can start your Free Trial and take part in the Promotion if you meet the eligibility criteria and have completed the steps outlined in **“What do I need to do to take part in this Promotion?”**. As a new Revolut user, in order to start your Free Trial you will need to complete the steps to upgrade your Revolut Personal account to the subscription plan you are being offered as part of the Free Trial **within 72 hours of your Revolut Personal account being successfully opened, even if the 72 hour period expires after the end of the Promotion Period**. Details of the subscription plan including these Promotion Terms will be made available to you on the Revolut website before you sign up for a Revolut Personal account. This means your Revolut Personal account must be successfully opened before the end of the Promotion Period but it doesn't matter if you don't upgrade to the relevant subscription plan until after the end of the Promotion Period; you'll still be able to start your Free Trial as long as you upgrade before the 72 hour cut off. Just so you know, the terms and conditions for your Premium subscription plan (see [Plus, Premium and Metal Terms](#)) will apply to you during your Free Trial. We will not charge you for the period of time included in your Free Trial. We'll tell you in the Promotion dashboard in your Revolut App how long you'll receive your selected Premium subscription plan for free so you're aware before you sign up - you'll also be able to see this information in these Terms.

You have the right to cancel your Premium plan during the entire duration of Free Trial (your **“cooling off period”**) but after the Free Trial period ends, normal cancellation rules will apply as set out in [Plus, Premium and Metal terms](#).

You also have the right to withdraw from the Revolut Personal account within the first 14 days of opening a Revolut account by letting us know through the Revolut app or by emailing us at feedback@revolut.com. You have a right to withdraw without paying any penalties and without having to indicate any reason. In case of withdrawal from the agreement we will return any remaining balance to you. If you have already subscribed to the Premium plan by withdrawing from the Personal account you will also withdraw from the Premium plan. Also, you have the right to withdraw from the Premium plan without withdrawing from the Revolut Personal account. In both cases you will have to pay us back for the card delivery fee, if you ordered a card before withdrawing. You may also have to pay back the card delivery fee if you ordered a second card or additional Revolut cards and you withdraw from the Premium plan within your Free Trial. This is to cover our costs. Please refer to the [Premium fees page](#) to see the fees associated with card delivery. To find out about your right of withdrawal you can also refer to the [Revolut Personal Terms](#) and the [Plus, Premium and Metal Terms](#).

On the expiry of the Free Trial, you will remain on your Premium plan (unless you tell us otherwise during Free Trial) and normal cancellation and billing rules will apply (the cooling-off period will no longer apply). Our paid plans have a 12 month term whether you choose to pay-monthly or pay-annually. We'll start taking payments for your Premium plan either monthly or yearly depending on what you agreed to when you signed up for the Premium plan.

You can also end your Premium plan at any time after the Free Trial. However, fees may apply if you do. See the **“Fees for downgrading your Plus, Premium or Metal subscription”** section of the [Plus, Premium and Metal Terms](#) for more information on the normal cancellation rules that apply once your Revolut Free Trial ends.

How do I get my cashback?

If you meet the eligibility criteria and complete the steps outlined in **“What do I need to do to take part in this Promotion?”** before the end of the Promotion Period, you will also be able to receive the Cashback Offer, which is 100% cashback on the purchases made on Kinguin using your Revolut card as a payment method. The Cashback Offer is subject to a maximum cap of **20€ (or the currency equivalent)**. To earn your cashback, you'll need to follow the below steps:

1. top up your new Revolut Personal account;
2. add your Revolut card to your Kinguin profile by clicking on the “Payments Settings”;
3. browse the catalogue available on Kinguin and click “Buy now” when you find an item you'd like to purchase’ ;
4. select Revolut as your payment method and click “Pay”.

The Cashback Offer applies on all physical or virtual Revolut card payments made on Kinguin during the Cashback Period. This means, for example, if your Revolut Personal Account is opened on 25 May 2023, the Cashback Offer will apply for a period of 4 weeks starting from 25 May 2023. We'll credit the cashback to your Revolut personal account within 7 days of each completed virtual or physical Revolut card payment you make on Kinguin, subject to these Promotion Terms. If you make a virtual or physical Revolut card payment within the Cashback Period but it is reverted or you seek a refund, you will not be entitled to cashback and if we've already credited your account with cashback, we reserve the right to reverse that cashback. In the latter case, we will consider the reversal of any cashback transaction to have been done with your consent and the payment to have been authorised by you.
