The Promotion Period and the amount of the Offer will be clearly set out on the Revolut website page when you click on the unique link for the Promotion ("**Revolut Landing Page**"). It will also be set out on the Partner's website if the Partner operates this.

The eligibility criteria for the Offer is set out below in "**Who is eligible for the Promotion?**". If you are eligible you will need to complete the steps in "What do I need to do to take part in the Promotion?" before the end of the Promotion Period.

Who is eligible for the Promotion?

To be eligible for the Promotion, you must:

- Be a new Revolut Personal customer. If you are currently a Revolut customer, or have been a customer or started the sign-up process in the past, you are not a new customer and so are not eligible;
- Receive a unique link from the Partner about the Promotion; and
- Follow the steps specified in the section below ("**What do I need to do to take part in the Promotion?**").

What do I need to do to take part in the Promotion?

To take part in the Promotion and receive the Offer you must complete all of the following steps during the Promotion Period:

- Click on the unique link for the Promotion. This link will be on the Partner's social media or website or will be contained in the email/SMS/push notification from the Partner;
- This link will redirect you to Revolut's Landing Page where you will need to provide your phone number. On the Revolut Landing Page, you will also be able to see the important details in relation to the Promotion, including the Promotion Terms, the Promotion Period and the amount of the Offer available to you;
- Once you have provided your phone number, you will be directed to the sign-up flow for a Revolut Personal account. You will need to follow the steps for opening a Revolut Personal account and complete our Know Your Customer checks ("**KYC**");
- You will need to be onboarded successfully to Revolut. This means you will have to pass KYC with a registered address in New Zealand and there must be no restrictions on your account;
- Once you pass your KYC, you will need to make your first Customer Top Up. Your first Customer Top Up can be made by bank transfer or by using a card that you have registered with us; and
- Once you have topped up your account you will need to use your balance to make one or more virtual or physical Revolut card payments. The required total value of the transactions will be specified on the Revolut Landing Page in NZD. Each transaction must be a genuine purchase to count towards this total amount (for example, card transactions to payment service providers, money transfers or the purchase of any crypto within the Revolut app will not count towards the required total transaction amount). Don't worry - you don't need a physical card to make payments: you can easily generate a virtual card in the app and use it for this purpose. And if you don't have enough balance for a particular transaction, you can make a further Customer Top Up by bank transfer or card registered with us.

When do I receive the Offer?

In most cases, the Offer will be automatically credited to your new Revolut account following a qualifying Revolut Card transaction being made. However, in some limited

cases, it may take up to 10 days after the transaction for it to appear in your Revolut account.
