How does the Prize Draw work and how do I claim the Prize?

Within 24 hours after the end of the Promotion Period, we'll randomly select the winner from all entrants who have completed the Required Steps. The chance of winning depends on the total number of eligible entries received.

If you're the winner, we'll let you know via direct message to your Instagram account. You'll have 48 hours from the time we contact you to accept the Prize and provide us with any requested information (including your Revolut Personal account Revtag). If you don't respond to us within this time or you do not meet the eligibility criteria, you forfeit the Prize and an alternative winner will be randomly selected.

Once the winner communicates their acceptance, we will arrange for the Prize and necessary details to be sent via email within 5 days of the Prize being accepted.

The Prize does not include any costs related to travel, accommodation or other expenses in attending the event. If you win, you'll be responsible for such costs.
