

Welcome to the Everyday Spend Promotion (the "**Promotion**"), offered by Revolut Technologies Singapore Pte Ltd (UEN No. 201721013G) ("**Revolut**", "**we**", "**our**" or "**us**").

The terms and conditions of the Promotion are set out below. These terms and conditions apply in addition to any other terms and conditions that apply to you as a customer of Revolut, including the Personal Terms, and the Fees and Charges Section.

## Promotion Periods

The Promotion will run for a total of 14 days, starting on the day you become an Eligible Customer (the "**Promotion Period**").

## What is the Promotion?

The Promotion is the opportunity for Eligible Customers to earn 10% cashback on Eligible Transactions made at a Qualifying Merchant during the Promotion Period.

The total cashback Eligible Customers can earn during the Promotion Period is capped at S\$10.00. This means that even if the cumulative value of multiple Eligible Transactions exceeds S\$100.00, the cashback award will remain capped at S\$10.00.

## Who is eligible to participate in the Promotion?

To participate in the Promotion, you must be an Eligible Customer of Revolut.

An "**Eligible Customer**" is defined as a customer that has:

- personally received communications from Revolut inviting you to participate in the Promotion;
- passed Revolut 'Know Your Customer' checks and been onboarded;
- an active Revolut Standard, Premium or Metal account; and
- not previously closed a Revolut account or had an account become suspended or restricted.

## What is a Qualifying Merchant?

- For the purpose of the Promotion, a Qualifying Merchant is a merchant whose merchant category code ("**MCC**") designation is listed in Appendix A below.

Revolut is not responsible for designating MCCs and has no control over the same. You acknowledge and agree that we are not responsible for providing you with any advice on whether a purchase made is/will be with a Qualifying Merchant and/or regarding MCC codes.

## What is an Eligible Transaction?

For the purpose of the Promotion, an **“Eligible Transaction”** is a physical or virtual Revolut Card transaction made at a Qualifying Merchant during the Promotion Period.

For the avoidance of doubt, a Revolut Card transaction means you use your Revolut physical or virtual card to purchase genuine goods and/or services from a Qualifying Merchant by entering the details of your Revolut physical or virtual card into their payment processing system. The purchase of gift cards or vouchers are examples of transactions which do not qualify as Eligible Transactions.

## When will I receive my cashback?

Revolut will credit the cashback into your Revolut account within 30 business days after the end of the Promotion Period.

## What else should I know?

1. Revolut reserves the right to change, modify and/or supplement these Terms and Conditions at any time during the Promotion Period. If we exercise this right in a way that is detrimental to you in your capacity as an Eligible Customer, we will notify you directly. In all other instances we will try to give advance notice on our website. Please contact Customer Support if you believe you qualify for a particular benefit in relation to the Promotion that has not been awarded to you as a result of this early suspension or termination.
2. If a Revolut Card transaction is subsequently reversed or declined at any time (either during or after the Promotion Period) then that payment will not be counted towards the cashback total (please note that we may debit any cashback you have already received from your Revolut account).
3. If you close your Revolut account or your account becomes suspended or restricted before you receive any cashback under this Promotion, then you will no longer be entitled to receive any such cashback and it will not be paid to you.
4. If we have reasonable grounds to believe that you have engaged in any fraud or material abuse of this Promotion (such as for example attempting to obtain an unfair advantage through deception) we may in our sole discretion take any actions we see fit in the circumstances.
5. The Promotion cashback is in addition to the regular cashback earned by Metal customers for spending with their Revolut card.
6. Any disputes arising out of or in connection with these terms can be dealt with by the Courts of Singapore.
