 - have an active, unrestricted and unsanctioned Revolut Personal account,
 - have received an in-app or email communication inviting you to participate in this promotion (the **Promotion Invitation**), and

Invitation. The Required Step must be completed before the end of the Promotion Period.

How does the Prize Draw work and how do I claim the Prize?

Within 7 calendar days after the end of the Promotion Period, we'll randomly select the **winner(s)** from all eligible participants who have completed the Required Steps.

The exact number of winners will be specified on the promotion's landing page. The chance of winning depends on the total number of eligible entries received.

If you're a winner, we'll let you know via the email address registered to your Revolut Personal account. You'll have 48 hours from the time we contact you to accept the Prize and provide us with any requested information. If you don't respond to us within this time, you forfeit the Prize and an alternative winner will be randomly selected.

Once the winner communicates their acceptance, we will arrange for the Prize and necessary details to be sent via email within 30 days of the Prize being accepted.

The Prize does not include any related costs such as travel, accommodation, or other expenses involved in claiming, receiving or using the Prize. If you win, you'll be responsible for those costs.
