Fees for downgrading your Metal subscription

You can end your Paid Metal Plan subscription at any time (we call this a downgrade). However, you may have to pay a fee. You'll still be able to benefit from the services you get for your subscription until the end of the billing cycle you have paid a subscription for, excluding any break fee. So if you pay your subscription monthly and decide to downgrade, you'll be able to keep using the subscription within the month that you've already paid for; if you pay annually, you'll have access to your subscription until the end of that annual billing cycle. After then, you'll become a Standard user again (a personal account holder who does not pay a subscription for the Paid Plan service).

If you downgrade within 14 days

If you pay your subscription in monthly instalments, we'll give you a full refund of your subscription. If we sent a Metal Card to you, we may deactivate the card. We will also charge you the delivery fee, and EUR 40 for the card.

Please refer to the [Fees page](#) to see the fees associated with card delivery and any fees for the card itself if you choose to try Metal.
