

## What is this Promotion about?

Revolut is offering its existing Ultra and Metal customers and prospective new Personal customers on any plan in **England, Scotland, Wales, Ireland, Spain, France and Germany** (together the “**Eligible Countries**”) the opportunity to take part in the Revolut x NBA Paris Game 2024 Promotion (the “**Promotion**”).

The Promotion allows:

- existing and prospective Personal customers to get exclusive access to pre-sale ticket lines for the NBA Paris Game 2024 (“**Pre-Sale Ticket Access**”); and
- prospective Personal customers to sign up to Revolut for the first time and receive EUR 20 (or currency equivalent) credited to their account (the “**New Customer Offer**”).

To take part in this Promotion, you must complete the steps set out in “**What do I need to do to take part in this Promotion?**” between **16 October 2023 (00:00 CET) and 5 November 2023 (23:59 CET)**. We call this the “**Promotion Period**”.

These terms and conditions (the “**Promotion Terms**”) set out the rules that apply to this Promotion. You must comply with these Promotion Terms and the terms that apply to your Revolut Personal account at all times when participating in this Promotion.

## Who is eligible for this Promotion?

To be considered an Eligible Participant for this Promotion you **must**:

- have a residential address in one of the Eligible Countries listed above; and
- be at least 18 years of age.

In addition, if you are an existing Revolut Personal customer, you **must also** have an active Revolut Ultra or Metal subscription. If you do not, you can become eligible if you upgrade during the Promotion Period.

## How do I earn the New Customer Offer?

Prospective Personal customers wanting to earn the New Customer Offer must complete the following steps.

- Click on the **Promotion unique link** provided on the NBA's website, app, or social media, and as provided by the NBA's affiliates primarily through banners on their websites.
- Successfully open a Revolut Personal account through that link.
- Complete a first genuine card transaction of at least EUR 1 (or currency equivalent).

All of these steps must be completed during the Promotion Period.

You must use the unique link provided as part of this Promotion to sign up to Revolut. If you sign up using the normal account opening process in our app, you will not be able to take part. Your first card payment can be made using a physical or virtual Revolut card linked to your Revolut Personal account. It must be a genuine purchase (for example, transactions to payment service providers, other bank accounts and e-wallets will not be genuine).

The Revolut group entity that provides you with your Personal account will credit EUR 20 (or currency equivalent) to the main balance of your Revolut Personal account within 10 business days of the required card payment successfully completing.

**For existing Revolut Personal customers**, you will be automatically eligible to receive the Pre-Ticket Access as long as you have an active Revolut Ultra or Metal subscription.

## How do I get exclusive Pre-Sale Ticket Access to buy NBA Paris Game tickets?

Customers who complete the steps above will receive an email (to the email registered to their Revolut Personal account) on 6 November 2023 with a private digital link to access the presale. The private digital link will take you to a page on TicketMaster's website where you can purchase tickets for the [NBA Paris Game 2024](#) **from midday CET on 6 November 2023**.

This Promotion gives you access to buy pre-sale tickets (subject to ticket availability and on a first come, first served basis) but you'll need to cover the cost of any ticket/s you buy and the cost of attending the event yourself. The number of tickets that can be purchased by a single customer will be capped, and indicated on the dedicated Ticketmaster webpage.

If you are an existing Revolut Personal customer, you will only receive this email from Revolut if you have opted into receiving third party promotions from us. You can do this in the "Security & privacy" section of the app or, if you are on the latest version of our app, you can find this in the "Notification settings" section.
