Who is eligible to participate in the Challenge?

To be eligible for the Challenge, you **must**:

- be at least 18 years old;
- have an active Revolut account;
- be signed up to the RevPoints loyalty programme; and
- follow the steps outlined in the section below ("**What do I need to do to take part in the Challenge?**")

What do I need to do to take part in the Challenge?

To take part in the Challenge and receive the Baseline Reward you must during the Challenge Period complete all of the following steps:

- opt into RevPoints;
- join the Challenge using the email or in-app notification received;
- choose the national team you think will win on the “Pick your winner” in-app form during the Entry Period; and
- complete 48 eligible physical or virtual Revolut Card transactions within the Challenge Period.

To receive the Bonus Reward, you must have completed the steps above and have selected the team that goes on to become the 2026 World Champions.

For the avoidance of doubt, a card transaction means you use your Revolut physical or virtual card to purchase goods and/or services from a third-party merchant. For example, card transactions to payment service providers, money transfers, or the purchase of any investments, cryptocurrencies or commodities within the Revolut app, do not qualify as card transactions. Please see Section 3 (“**Earning Points**”) of the [RevPoints Terms](#) for more details on eligible and excluded transactions.

When & how will winners be notified?

Eligible Customers will be notified by in-app notification once they have earned the Baseline Reward and Bonus Reward.

When do I receive my RevPoints Reward?

RevPoints Rewards will be automatically deposited into your account at the end of the Challenge Period.

All scoring decisions are subject to the final ruling of the match officials and the governing league body. Subsequent changes after the match day will not be

recognised by Revolut. All goals scored by a team and confirmed by the match official during regular play and extra time will count towards the Bonus Reward.

- Goals scored by a player into their own net (own goals) shall be credited to the total of the opposing (benefiting) team.
- Goals scored during a post-match penalty shootout to determine a winner are strictly excluded from the definition of 'goals scored' for the purpose of calculating the Bonus Reward.
