

This version of the Terms will be effective from November 25, 2025, except where indicated otherwise. If you would like to see a previous version of these Terms, please click [here](#).

1. Why this information is important

This RevPoints Terms (the "**Terms**") sets out the terms and conditions for the RevPoints loyalty programme (the "**RevPoints Programme**"). It also sets out other important things that you need to know.

These Terms, along with our Fees Page form a legal agreement (the "**RevPoints Agreement**") between:

- you, as the RevPoints user; and
- us, meaning Revolut Bank, UAB, a company incorporated in the Republic of Lithuania with company number 304580906, registered on the Register of Legal Entities of the Republic of Lithuania with the referred company number, with authorisation code LB002119, and whose registered office and head office is at Konstitucijos ave. 21B, 08130 Vilnius, the Republic of Lithuania.

This RevPoints Agreement is indefinite. It means that it is valid and binding until you or we end it.

You must follow these Terms whenever you use this service. However, other terms and conditions may also apply when you use RevPoints (for example, if you are using RevPoints in relation to a Stay, the [Stays Terms](#) will also apply).

2. What is the RevPoints Programme?

RevPoints Programme is a loyalty programme where you can receive, hold and redeem points (the "**RevPoints**").

We will keep track of the points you have and display your points balance to you in the app.

The RevPoints you earn are only loyalty points. They are not a form of money, currency or electronic money, and cannot be exchanged for money, currency or electronic money. They can only be used by Points Redeeming Activities according to these Terms and are not accepted by any third party. You can earn Revpoints only by completing Points Receiving Activities according to these Terms.

RevPoints Programme is not a payment service or a means of payment and is not regulated (even though the underlying financial services the loyalty program is offered in relation to are regulated).

3. How can I receive RevPoints?

The RevPoints programme allows you to receive points in the following ways:

- Completing one of the actions that earn RevPoints: There are certain actions that you can take in order to earn RevPoints (the “**Challenges**”).
- Challenges are actions that allow you to earn Revpoints, which are described directly in these Terms. The terms regarding the Challenges are laid out in the Revolut app and in Annex 1.
- Spending with your Revolut Debit Card on eligible transactions. You can find all information about eligible and non eligible transactions in the Annex 2.
- By using certain Revolut products and services: There are different Revolut products and services that, if you use them, will earn you RevPoints. These Revolut products and services are laid out in the Revolut App and in Annex 3.
- By using the SpareChange feature by rounding up any card transaction to the nearest whole number and exchanging the difference for points. The terms regarding SpareChange are laid out in Annex 4.
- By using your account balance to purchase RevPoints. The terms regarding this feature are laid out in Annex 6.

(We call these these, “**Points Receiving Activities**”).

4. How can I redeem RevPoints?

The RevPoints programme also allows you to redeem points in the following ways:

- Redeeming your points in participating Revolut Product & Services: certain eligible Revolut products and services will allow you to redeem your points. These Revolut products and services are laid out in the Revolut App and in Annex 5.
- Transferring out RevPoints to another loyalty program: in partnership with other loyalty programs, we may allow you to transfer your Revpoints to other participating loyalty programs.

(Together, “**Points Redeeming Activities**”).

When redeeming RevPoints, any RevPoints bought will be redeemed first.

RevPoints are valid for 3 years after they are received. After this time, they permanently expire and can no longer be redeemed.

5. How can I use RevPoints?

You cannot get Points other than through a Points Receiving Activity and cannot be redeemed other than through a Points Redeeming Activity. The specific Points Receiving Activities and Points Redeeming Activities we offer are set in these Terms also in the app.

Each specific Points Receiving Activity and Points Redeeming Activity has its own terms and instructions, which are set out in these Terms and Revolut app. Make sure you follow these terms and instructions, otherwise you will not receive or be able to redeem your RevPoints.

The number of points received or redeemed depends on the Rate (the "**Rate**") applied. The number of RevPoints received or redeemed on any specific Points Receiving Activity or Points Redeeming Activity will always be clearly shown to you in the app before you undertake the activity. In the Revolut app, you will also be able to see a transaction list of all Points Receiving Activity and Points Redeeming Activity with the number of RevPoints received or redeemed and the applicable Rate applied.

Where a Points Receiving Activity requires you to use your Revolut card to pay for a purchase, the purchase you pay with your Revolut card must be an eligible purchase of goods or services. It means that:

- Purchases which are cash or cash like transactions (for example, financial services (including cryptocurrency), cash withdrawals, or payment transfers) are not purchases of goods or services and are not eligible.
- Purchase of goods and services which are returned, or canceled are not genuine and are not eligible either.

6. When am I eligible, or ineligible, for RevPoints?

RevPoints Programme is only available to holders of a payment account with Revolut. If you close your payment account, your RevPoints balance will be forfeited. You cannot obtain a refund for RevPoints that you have received.

You must activate the RevPoints Programme and conclude with us the RevPoints Agreement to use RevPoints. If you do not activate RevPoints Programme, you will not be eligible to earn RevPoints or use the RevPoints features of the Revolut app.

7. Are there any fees?

There are no fees for enrolling in the programme, for Points Receiving Activities, or for holding points.

There may be fees for some Points Redeeming Activities, however these fees are not directly related the RevPoints and services provided under the Terms Where these fees apply, they will be clearly shown to you in the Points Redeeming Activities terms and instruction and in the app before you proceed, and on our [Fees Page](#).

If we need to reverse any points which you have already spent, you will need to either purchase or exchange those points or return the benefit you received for those points. For example, imagine you received 100 points from completing a Shops Purchase. You then use 100 points to receive a discount of £10 on a Stay, leaving you with a points balance of 0. If you were then to reverse the Shops Purchase, the 100 points would be reversed, leaving you with a negative balance. In order to correct this, you would either need to complete a Points Receiving Activity for 100 points or return the benefit that the redemption of points gave you. Where we take the action to reverse the points (for example, identifying that a transaction on which you earned points was returned), you authorise us to debit your payment account to return the benefit that the redemption of points gave you if your revpoints balance went below zero

8. When can we block your RevPoints?

We may block your access to your RevPoints (i.e. restrict your ability to use it) if:

- we have reasonable and properly documented grounds to suspect that you have intentionally or through gross negligence used your RevPoints for purposes that are in breach of Polish or European laws that are directly applicable to you; or
- we have reasonable and properly documented grounds to suspect that you allow others to access or enable others to use your RevPoints; or

- we have asked you to provide us with information or documents that we are obliged to obtain under the provisions of generally applicable law and we have not received them; or
- you violate the provisions of these Terms; or
- you make the balance on Revpoints negative; or
- any action which earned you RevPoints was reversed or undone; or
- your Account Agreement is terminated based on the Personal terms.

We will unblock your access to the RevPoints as soon as the grounds for maintaining the blocking no longer exist.

Any forfeit of RevPoints when your account is closed is permanent, regardless of whether your account is closed by you or by us. You cannot obtain a refund for RevPoints you have earned or purchased. You can avoid forfeiting your RevPoints by redeeming your RevPoints before your account is closed.

9. When can we terminate the RevPoints Agreement?

We may terminate your RevPoints Agreement, with 14 days notice, for the following important reasons:

- you are in breach of the provisions of these Terms even though we have asked you to cease the breach and pointed them out to you; or
- we have reasonable and properly documented grounds to suspect that you allow others to access or enable others to use your RevPoints; or
- you are using your RevPoints for business or professional purposes despite our request to stop this; or

- your Account Agreement is terminated based on the Personal terms.

We reserve the right to amend the Terms during the term of the RevPoints Agreement for the following important reasons:

1. the introduction, amendment or repeal of generally applicable laws, to the extent that this will result in an obligation for us to amend the rules and regulations and only to the extent corresponding to such amendments;
2. a change in our offer, that is, we are introducing, changing, ceasing offering or limiting the functionality of Points Receiving Activities, Points Redeeming Activities, products, services or functionalities- the change will be introduced only within the scope of the provisions relating to the relevant Points Receiving Activity, Points Redeeming Activity, product, service or functionality;
3. the need to introduce technological and technical corrections or improvements, adjustment or improvement of existing personal data protection measures, adjustment or improvements of security and fraud prevention measures in

In any other cases, information about changes will be sent by email on a durable medium together with the attached amended regulations, no later than 14 days before the date the changes take effect.

If you do not object to these changes or do not terminate the RevPoints Agreement before changes to the Terms take effect, then we will consider that you have consented to them. You may object to the proposed changes in the period from the day you receive information about the changes to the day preceding the date they take effect and terminate your RevPoints Agreement. You do not incur any fees in this respect.

12. Right of withdrawal

You can withdraw from this RevPoints Agreement (and so end it) without giving a reason by informing us (by sending an email to support@revolut.com) within the first 14 days from your acceptance of these Terms and thus the conclusion of the RevPoints Agreement between you and us. You will not incur any costs in connection with such withdrawal. You also have the right to withdraw from the purchase of points under the functionality described in Annex 6 within 14 days from the date of purchase of Revpoints.

If you withdraw from this agreement, you will forfeit all earned points. We will only reverse RevPoints you got through the SpareChange feature and purchased under the feature described in Annex 6 - we refer to these collectively as RevPoints you purchased, according to the following rules.

If you exercise your right of withdrawal after requesting the performance of the service before the end of the withdrawal period, you shall be obliged to pay for the services provided until the time of withdrawal. This means that you will be obliged to return the value of the benefits acquired with the RevPoints you purchased. However, we will be able to exercise the right to set-off our claim for reimbursement of the value of the benefits obtained with the RevPoints you purchased, against your claim for reimbursement of the value of the RevPoints you purchased. Consequently, in the event of your withdrawal from the RevPoints Agreement and if we exercise our right to set-off, we will only refund the value of unused RevPoints you purchased minus RevPoints purchased redeemed by you.
