How does the Prize Draw work and how do I claim my Prize?

After the end of the Promotion Period, we will include the Revolut usernames of all Eligible Participants who have completed the Required Steps in the Prize Draw and we will randomly select winners for the various Prizes.

After your next billing date, if you have won a Prize, you will receive an email (to the email address registered to your Personal account) and push notification providing details of your Prize and any relevant next steps.

If no further action is required from you, you will receive the Prize within **14 days of receiving the notification**.

The time to accept the Prize will be indicated in the email. If you do not respond within this time, we will randomly select another eligible participant from the Prize Draw to be the winner.

Details on the Prize of free Ultra Paid Plan for 1 year

If you win and the Prize you receive is the free Ultra Paid Plan for 1 year, you **must activate your plan within 7 days of receiving the Prize**. Once you activate it, you will receive the Ultra Paid Plan with no subscription fee for 1 year from the date of activation (the **Benefit Period**).

When your Benefit Period ends, you will automatically remain on the regular Ultra monthly Paid Plan. The [Paid Plan Terms](#) will apply and you will start to pay the monthly subscription fee in line with your Paid Plan Terms, unless you tell us otherwise.

You will have 14 days to cancel or downgrade to any other plan of your choice, including the Standard plan, without having to give a reason. This 14-day period runs from the day following the day your Benefit Period expires and your billing cycle begins. To exercise your right to cancel/downgrade, you must let us know through the Revolut app or by emailing us at support@revolut.com. If you've already paid your first monthly subscription fee at that time, we'll refund it. However, you will have to pay us the following for any card(s) ordered during your Benefit Period:

- the card delivery fee;
- the fee for the card itself, if you ordered a Metal card;
- the card delivery fee and a fee for the card itself if you order any additional Revolut cards.

Please refer to the [Fees page\(s\)](#) to see the fees associated with card delivery and the card itself.

After the 14-day period has expired, typical plan downgrade rules will apply (see the [Paid Plan Terms](#)).
