More detail on the Benefits

### **Paid Plan with no subscription fee for a limited time period**

You will receive a paid plan with no subscription fee each month, for the months that you complete the **Required Steps** listed above for the Promotion Period. This entitles you to all the plan benefits that are received as part of the paid plan for the Promotion Period (full list of plan benefits can be found in the plan hub in the Revolut app).

You can downgrade your plan at any point during the **Promotion Period**. If, after completing the **Required Steps** for the first month, you do not make your **Salary Deposit** in the next monthly cycle, you will be given a 20 day grace period to keep your paid plan. This is to account for monthly variations in salary deposit date. After this 20 day grace period, you will automatically remain on the paid plan, and will be charged the current monthly price of the plan at the start of your next billing cycle. After the 20 day grace period, you will also have 14 days to downgrade to any other

plan of your choice without incurring any plan break fees. After this period, typical plan break fees will apply.

After the end of the **Promotion Period**, you will automatically remain on the paid plan, and will be charged the current monthly price of the plan at the start of your first billing cycle after the **Promotion Period**. You will have 14 days to downgrade to any other plan of your choice without incurring any plan break fees. After this period, typical plan break fees will apply.

The paid plan you are offered may differ. Please check your invitation email to find the plan you are eligible for.
