These Savings Account Terms are entered into by means of distance communication.

You agree that these Savings Account Terms and any other communications between us, will be in Romanian or English.

2. What type of account is my Savings Account?

Your Savings account (the **Savings Account**) with us is a demand deposit account, and the money in it is held by us as a deposit (also known as a 'deposit at sight'). In these terms and conditions we may refer to it as the "Savings Account", or an "account".

When you put money as a deposit into your Savings Account, we accept the money, hold it for you, and undertake to return it to you upon your request. The only way you can put money into, or take money out from, your Savings Account is by having a current account with us in the way described in these Savings Account Terms.

Keep in mind that your Savings Account is not a payment account and cannot be used for sending or receiving payments, and you can only place your deposit in the way described in these Savings Account Terms.

You must not use your Savings Account for business purposes.

3. Can I open a Savings Account?

You can open a Savings Account only if you are a customer of Revolut Bank UAB and fulfil the other conditions under these Savings Account Terms.

By accepting these Savings Account Terms, you confirm that you have received, read and understood the standard information for deposit insurance of the State Company "Deposit and Investment Insurance" (VĮ "Indėlių ir investicijų draudimas") which is also available [here](#).

When you ask us to open a Savings Account, we or our representatives may ask for information about you and where the money you will deposit into your Savings Account comes from. We do this for a number of reasons, including to check your identity, and to meet our legal and regulatory requirements. Make sure you have provided us with all the information we have requested from you (including your TIN number, or a copy of your passport or national ID card). When we have the information we need, we will open your Savings Account, and you can make a deposit into it. If you have already provided this information to one of our group entities when opening a current account, you acknowledge and agree that we may use and rely on that information for this purpose.

Our [Privacy Policy](#) explains how we use your information for these and other purposes.

We can only provide services to you once you have passed our internal checks, and not before. We will notify you via the Revolut app once this has happened and will let you know once your Savings Account is opened.

If any of your personal details change, you must notify us immediately.

When we refer to "email" we mean the email you provided to us during the onboarding process (unless you updated your email afterwards). It's important that you provide your primary email address and check it regularly. Should your email address change or should you have any trouble receiving or opening emails from us, you must notify us immediately. Otherwise, you agree that if an email has been delivered to your email address, you should have read it, even if you failed to do so for whatever reason.

4. How to make a deposit into my Savings Account

Add money at any time

Deposits to your Savings Account can only be made by transferring funds from your current account held with us to your Savings Account.

These deposits can be made at any time. You can place your deposit in Romanian leu (RON only) . The total amount of money you can add to your Savings Accounts (regardless of how many Savings Accounts you have) is limited to 13,000,000 RON. The frequency of your additions is unlimited (regardless of how many Savings Accounts you have). Please check the limits of your deposit insurance [here](#).

How soon will money be credited?

Your deposit will be credited to your Savings Account immediately after you transfer these funds from your current account to your Savings Account.

5. Will you pay any interest on the Deposit held in my Savings Account?

We will pay interest daily on the balance of your Savings Account at the end of each day. Interest will be calculated at a yearly rate indicated in the Deposit Information Sheet document available on the Revolut App. The yearly rate may differ depending on the paid subscription plan you have with us.

The interest will be calculated based on the actual number of days in a year and the actual number of days in a month. The interest accrued will be subject to taxation and interest paid to you will be net of Lithuanian withholding taxes as required under Lithuanian tax laws. For more information, please refer to Section 21 of the Savings Account Terms. The interest will begin accruing immediately, and the first interest payment will be done on the next calendar day after you deposit funds from your current account to your Savings Account.

The interest will be calculated using the following formula:

Gross Interest = Closing balance in your Savings Account * Gross Interest Rate/ Number of days in a year *100

Personal Income tax, in line with Lithuanian tax regulations will be deducted on the interest accrued. The minimum threshold for interest payable is 0.01 RON. If you earn less than this on a given day, no interest will be payable.

6. How to make a withdrawal from my Savings Account?

We will return money to you from the Savings Account at your request. Withdrawal requests can be made by you at any time and in any amounts not exceeding the available balance of your Savings Account. When you withdraw the money from your Savings Account, we will transfer the funds to your current account held with us.

7. How is my money protected?

Your money is protected once it reaches your Savings Account which happens immediately after you transfer these funds from your current account to your Savings Account. The funds in the Savings Account are protected in the same way as the funds in the current account, as described in our [Personal Terms](#) applicable to you.

The money in your Savings Account is protected by Lithuanian deposit insurance administered by the State Company "Deposit and Investment Insurance" (VĮ "Indėlių ir investicijų draudimas") in accordance with the conditions established by the Law on Insurance of Deposits and Liabilities to Investors of the Republic of Lithuania which are available [here](#).

8. Keeping your security details safe

We do everything we can to keep your money safe. We ask you to do the same by keeping your security details safe. This means you should make sure they are kept secure, not accessible to other people, and not shared with anyone else.

Sometimes it's easy to forget to take the steps you should take to keep your money safe. Here are a couple of tips:

- make sure you don't leave the Revolut app open on an unlocked device; and
- keep your mobile device and your email account secure and don't let other people use them.

Contact us through the Revolut app as soon as possible if your security details could be used without your permission.

You can contact us in the following ways

Tell us about lost or stolen or security details:

- Send us a message through chat on the Revolut app.
- Email us at feedback@revolut.com.
- Call us to block a lost or stolen card on +370 5 214 3608 (your telecommunication service provider's standard rates apply).
- Our website: www.revolut.com

9. Are there any restrictions on using the Revolut app?

Please act reasonably and responsibly when using the Revolut app.

The Revolut app must not be used (directly or indirectly) as follows:

- for illegal purposes (for example, committing fraud);
- in a way that might harm our ability to provide our services;
- to control or use a Savings Account that's not yours;
- to allow anyone else to have access to or use Savings Account or the Revolut app; or
- for business purposes.

Please also act in a respectful way towards us and our support staff – we're here to help you.

10. When we might prevent you from using your Savings Account

The safety of your money is important to us, therefore we can prevent you from using your Savings Account. For example, we will deny the repayment of any deposit and will not credit any additional deposit if we're reasonably concerned about its security or that it might be used fraudulently or without your permission.

We might also have to prevent you from using your Savings Account to meet our legal obligations arising from the laws of the Republic of Lithuania or other legislation applicable to you.

We'll tell you through the Revolut app before, or as soon as possible after, we have limited the use of your Savings Account. We'll also let you know why we've done it (unless it would reduce your or our security or it would be unlawful). We will let you use your Savings Account normally as soon as the reasons for the limit no longer exist.

11. When could you suspend or close my Savings Account?

We may close or suspend your Savings Account immediately (including the access to the services provided by the other Revolut entities) and end your access to the Revolut app, in

exceptional circumstances. Exceptional circumstances include the following:

- If your current account with us is closed;
- if we have good reason to suspect that you are behaving fraudulently or otherwise criminally;
- if you've broken these Savings Terms in a serious or persistent way and you haven't put the matter right within a reasonable time of us asking you to;
- if we have information that your use of the Revolut app is harmful to us or our software, systems or hardware, or our reputation or goodwill;
- if you've been declared bankrupt;
- if you die or a declaratory judgement of your death is pronounced; or
- if we have to do so under any law, regulation, court order or ombudsman's instructions.

We may also close your Savings Account in case we change our business model and we no longer offer a demand deposit product in a specific geography. If we do so, we will inform you in advance of closing your Savings Account in accordance with these terms and conditions. Upon closing your Savings Account, we will return any remaining balance in your Savings Account to your current account held with us. We will consider that you gave us consent and authorised us to execute this transaction. We may allow you to make a withdrawal directly from your Savings Account to your current account as well.

12. Are we responsible if something goes wrong with your Savings Account or the Revolut app?

We'll do as much as reasonably possible to make sure that our services are not interrupted and are accessible at a reasonable speed. However, we can't promise that this will always be the case or that the services will be free from faults. We also may rely on some third parties to provide services to you, which can disrupt our services. We'll always do our best to solve any problems with our services, no matter what the cause.

We will not be responsible for losses resulting from us failing to meet our obligations to timely credit into your Savings Account incoming money or debit from your Savings Account money being withdrawn because:

- of a legal or regulatory requirement; or
- unforeseeable events outside our control, which were unavoidable at the time;
- of criminal or any other illegal actions of third parties resulting in damage to you or any other person (unless specified in these terms and conditions directly); or
- of the blocking of your Savings Account when implementing legal requirements, including those in relation to anti-money laundering and counter-terrorist financing.

We will only be responsible for foreseeable losses

If we break this agreement, we will be responsible for any loss that we could have foreseen at the time we entered into the agreement, also for the loss that results from our fraud or gross negligence.

We won't be responsible to you for any of the following, whether direct or indirect, that arises in connection with this agreement:

- loss of income or profit;
- loss of goodwill or damage to your reputation;
- loss of business contracts or opportunities;
- loss of anticipated savings; or
- consequential loss.

Nothing in this agreement removes or limits our liability for death or personal injury resulting from our negligence or from fraud or fraudulent claims and statements.

13. Our right to withdraw money from your Savings Account in exceptional cases

We have a right to withdraw money from your Savings Account without your instruction in the following cases:

- if money was transferred to your Savings Account without any legal basis (i.e. due to fraud, mistakes or technical errors);
- when we, as a service provider, are required by applicable laws, to withhold and pay to competent authorities taxes that apply to you in your capacity as a depositor; or
- in other cases, as established by Lithuanian laws and other applicable legislation.

14. When you might be responsible for our losses?

You may be responsible to us for certain losses.

If you have broken this agreement and this has caused us to suffer a loss, the following will apply:

- you will be responsible for any foreseeable losses we suffer as a result of your action (we will try to keep the losses to a minimum); and
- you will also be responsible for any reasonable legal costs that arise as a result of our losses.

15. How do I get information about transactions for my Savings Account?

You can check all Savings Account inflows and outflows through the Revolut app. We will be sending you a copy of the information upon your Savings Account is closed. You can, however, at any time download the information from the Revolut app while you are a customer or, if your Savings Account is closed, you can contact us at feedback@revolut.com and we will provide you with such information.

Periodic information - we will send you a separate notice once a year or within thirty days of the termination of your Savings Account containing the inflows and outflows on your Savings Vault Account for the previous 12 (twelve) months or less if your Savings Account was opened for less than 12 (twelve) months.

19. We can change these Savings Account Terms

We'll only change the agreement for the following reasons:

- if we think it will make it easier to understand or more helpful to you;
- to reflect the way our business is run, particularly if the change is needed because of a change in the way any financial system or technology is provided;
- to reflect legal or regulatory requirements that apply to us;
- to reflect changes in the cost of running our business (e.g. changes in the tax, capital or liquidity requirements that apply to us, in our operating costs, or to other factors which impact our costs); or
- to reflect changes in the amount of the fee for applicable mandatory deposit insurance;
- to reflect changes in financial market conditions and the macroeconomic events;
- to reflect changes in service conditions of third-parties (e. g. outsourced party, agent) in connection with the services provided by us to you; or
- because we are changing services or products that affect our existing services or products covered by these Savings Account Terms.

Telling you about changes

If we add a new product or service that doesn't change the agreement we may add the product or service immediately and let you know before you use it.

If we add amendments affecting fees and costs, or if we change these terms in any other way we will give you two months' notice through the Revolut app and/or email before we make any change, unless otherwise provided by law. We'll assume you're happy with the change unless you tell us that you want to close your account before the change comes into effect.

In the event of an unfavourable modification of interest, fees, costs and other agreement conditions you are entitled to close your account, and so terminate your agreement immediately without payment of any fees, upon the day before the amendment takes effect.

20. Changing the interest rate

The interest is variable. This means we have the right to change the annual interest rate applicable to you. If the rate is decreased, then we'll let you know at least two months before the change takes effect. Within this timeline, should you not agree with the change, you will be able to terminate the Savings Account.

If the rate is increased, we can make the change immediately. We may notify you about it prior or after the change.

Remember, the yearly rate may differ depending on the paid subscription plan you have with us. If you change (upgrade or downgrade) your subscription, your yearly rate will either increase or decrease.

21. Fees and Taxes

Revolut Bank does not charge any fees that apply to you for and in relation to Revolut Bank services under this agreement. This also means that you will not pay any fees for us in relation to using the Revolut App or any other means of distance communication for your Savings Account.

You note and accept that you have sole responsibility for the management of your legal obligations and tax affairs, including making any applicable filings and tax payments, and complying with any applicable laws and regulations. These may depend on your personal tax status and the tax rules and regulations in force that may change from time to time. In particular you will be responsible for deciding and making any tax related claims for reduction or exemption from withholding taxes. You should seek independent advice from a professionally qualified tax adviser if you have any questions in this regard.

In line with applicable Lithuanian tax law, we are obliged to make a 15% withholding tax deduction from any interest credited to your Savings Account(s). For the avoidance of doubt we will not increase (gross up) any payment in respect of such deduction or withholding tax or otherwise compensate you for that deduction of withholding tax. We will deduct the relevant tax from your interest before the interest is paid out into your Savings Account. In the case of very small saving account balances, and owing to the need to round withholding tax, there may be instances where the withholding tax percentage appears greater than the statutory rate.

22. How do I close my Savings Account?

You can withdraw from your Savings Account and so end this agreement within the first 14 days of opening it by letting us know through the Revolut app or by emailing us at feedback@revolut.com. You have a right to withdraw without paying any penalties and without having to indicate any reason. In case of withdrawal from your Savings Account, we will return any remaining balance and the accrued interest to your current account.

You retain your right to close your Savings Account and so end this agreement, at any time and free of charge by letting us know, even after the 14 days period has passed. You can do this through the Revolut app or by emailing us at feedback@revolut.com.

What happens if my current account is closed?

Immediately after your Savings Account is closed, we will return any remaining balance and accrued interest to your current account held with us.

Your current account with us and your Savings Account are different accounts and it is impossible to subscribe for a Savings Account with us without subscribing for a current account. Closing the Savings Account will not automatically close the current account. If your current account is closed, we will have to close your Savings Account as well.

23. Legal bits and pieces

Permission for us to process your personal information

To provide services under the agreement we need to collect information about you. Under data protection law, we are what is known as the 'data controller' of your personal information. For

more information about how we use your personal information, see our [Privacy Policy](#).

By entering into the agreement you are giving us permission to gather, process and store your personal information for the purpose of providing our services to you. This doesn't affect any rights and obligations you or we have under data protection law.

You can withdraw your permission by closing your Savings Account, which will end the agreement between you and us. If you do this, we'll stop using your information for the purpose of providing our services, but we may need to keep your information for other legal reasons.

Our contract with you

Only you and we have any rights under the agreement.

The agreement is personal to you and you cannot transfer any rights or obligations under it to anyone else, without our consent.

Our right to transfer and assign

You agree and permit us to merge, reorganise, spin-off, transform or execute any other form of reorganisation or restructuring of our company or business and/or transfer or assign all of our rights and obligations under these Savings Account Terms to any third party, under the conditions provided for, and allowed by the law.

We will only transfer any of your and our rights or obligations under these Savings Account Terms if this won't have a significant negative effect on your rights under these Savings Account Terms or we need to do so to keep to any legal or regulatory requirement, or it is done as a result of implementation of reorganisation (or a similar process). You will be able to terminate the Savings Account upon notification about the assignment, merger, reorganisation or any other similar notification.

Lithuanian law applies

The laws of the Republic of Lithuania govern your relationship with us. They also apply to this agreement. Despite this, you can still rely on the mandatory consumer protection rules of the European Economic Area Member State where you live.

Place of conclusion of this agreement

This agreement is deemed to be concluded in the place where you live at the moment of conclusion.

The Romanian version of the agreement applies

If these Savings Account Terms are prepared in English and Romanian languages, in the event of conflict between the two versions, the Romanian version will prevail.

Our right to enforce the agreement

If you have broken the agreement between you and us and we don't enforce our rights, or we delay in enforcing them, this will not prevent us from enforcing those or any other rights at a later date.

Taking legal action against us

Legal action under these terms and conditions can only be brought in the courts of the Republic of Lithuania (or in the courts of any EU Member State where you reside).
