What do I need to do to receive the Tinder Subscription Offer?

To take part in this Promotion, you must complete the following steps before the end of the Promotion Period.

- Click on the unique link provided by Tinder in their in-app banner or on a Tinder social media post.
- Successfully open a Revolut Personal account through that link (if you sign up using the normal Revolut account opening process in our app, you will not be eligible to receive the Tinder Subscription Offer).
- Make your first genuine Revolut physical or virtual card payment of at least 1 SGD or currency equivalent (transactions to payment service providers, other bank accounts and e-wallets will not be genuine) and the transaction must not be reversed nor refunded.

How do I start my Tinder Subscription Offer?

If you successfully complete the steps set out in “What do I need to do to receive the Tinder Subscription Offer?”, you will receive an email from Revolut with a unique Tinder code. You will only receive this email from us if you have opted into Revolut Third Party Promotions in the Revolut app – you can do this in the “Security & privacy” section of the app or, if you are on the latest version of our app, you can find this in the “Notification settings” section.

You have 60 days from the date of receiving the email from us to click the “Claim offer” link. Once you do that, you will be redirected to tinder.com, where your code will be automatically recognised and you will either be instructed to create a new Tinder account or log in to your existing account so that 3 months of the Tinder Gold subscription can be added to your Tinder account.
