

What is the promotion about?

Revolut is offering selected existing Personal customers on any Personal account plan residing in France, Germany, Ireland, Spain and the United Kingdom (together, the **"Eligible Markets"**) the opportunity to be entered into a draw for a chance to receive up to 100% of the value of their Revolut card transactions (the **"Cashback"**) made using Shops, subject to an overall cap (the **"Cashback Cap"**).

These terms and conditions (the **"Promotion Terms"**) set out the rules that apply to the Promotion, and you must comply with these Promotion Terms, the [terms and conditions](#) that apply to your Revolut Personal account and the [Shops Terms](#) at all times when participating in the Promotion.

To take part in this Promotion, you must meet the eligibility criteria and complete the required steps set out in these Promotion Terms between **8 March 2024 (00:00 UTC)** and **7 April 2024 (23:59 UTC)**. We call this the **"Promotion Period"**.

Who is eligible for the promotion?

You are only considered an **"Eligible Participant"** if you are an existing Revolut Personal customer and receive either an email, a push notification, an in-app Inbox message or a notification on the home screen tile from Revolut inviting you to participate in this Promotion.

After you receive this invitation, use your physical or virtual Revolut card to make **a minimum of two transactions** through Shops during the Promotion Period. By this we mean, you should use your Revolut card to purchase a good or service that has been advertised through the Shops part of the app - please see the Shops T&Cs for more information on the product).

Please note that Gift vouchers (only available for our customers residing in Germany, Ireland and the United Kingdom) are not considered eligible purchases for the purpose of this Promotion.

How does the Cashback draw work?

Following the end date of the Promotion Period, we will compile a list of all Eligible Participants so that we can prepare the draw.

For each Eligible Market, we will group Eligible Participants into ten different tiers ranging from those who spent the least to those who spent the most. These tiers will be based on actual spend made by Eligible Participants in each Eligible Market. Eligible Participants who appear in the highest ranking tenth tier will have their names entered into the draw for their Eligible Market ten times whereas Eligible Participants who are in the lowest ranking first tier will only be entered into their Eligible Market's draw once. The higher the tier, the greater the chance of winning.

This means that while the requirement is to make a minimum of two Revolut card payments through Shops, your chance of winning increases based on the amount you spend whether you choose to only make two transactions or more. For each Eligible Market, we will draw three names as our winners (so there will be 18 winners in total across the Eligible Markets).

Within one week from the end date of the Promotion Period, each winner will be notified by email and the applicable cashback will be credited to their Revolut Personal account, subject to the following Cashback Caps per winner based on their Eligible Market:

Eligible Market	Cashback Cap
France	€ 80
Germany	€ 100
Ireland	€ 100
Spain	€ 100
United Kingdom	£ 150
