

What is this promotion about?

- **What:** Eligible student customers receive a set of additional promotional benefits (**the Student Benefits**) layered on top of their existing Revolut Personal account. The Student Benefits are set out under "What are the Student Benefits?" below.
- **Who:** Student customers with Revolut account in **Revolut Bank UAB Succursale Italiana, Italy** (the **Market**), who meet the eligibility requirements and complete the Required Steps set out below.
- **When:** You must enrol in this promotion between 8th September 2026 and 1st September 2027 (the **Enrolment Period**). Once enrolled, your Student Benefits will run until 31st December 2027 (the **Promotion End Date**), unless they end earlier under "Ending your Student Benefits" below.

We may extend the Promotion End Date and/or the Enrolment Period at our discretion, and if we do we will let you know in the same way we invited you to the promotion.

These Promotion Terms set out the rules that apply to this promotion. You must comply with these Promotion Terms as well as the [Personal Terms](#) that apply to your Revolut Personal account. If there is any inconsistency between the Personal Terms and these Promotion Terms in relation to the Student Benefits, these Promotion Terms will prevail.

Eligibility and Required Steps

To meet the eligibility requirements for this promotion, you **must**:

1. have a Revolut account opened in the Market,
2. be a current student at a university located in the UK or the EEA with an active university email address that we are able to verify,
3. meet the age requirement (aged between 18 and 24) (the **Age Requirement**),
4. have an unrestricted and active Revolut Personal account on any of our plans - Standard, Premium, Metal, Ultra and Plus (the **Plan**) in the Market, whether opened before or during the Enrolment Period,
5. complete the required steps set out below (the **Required Steps**)

The Required Steps are:

1. **enrol in the promotion** through the Revolut app (the **App**) during the Enrolment Period; and
2. **provide and verify a valid, active university email address**. If you cannot provide a valid university email address, or if we are unable to verify it, you will not be able to access the Student Benefits.

What are the Student Benefits?

Student Benefits are additional promotional benefits available to customers meeting eligibility requirements who complete the Required Steps. You keep access to all the regular services available on your Revolut Personal account based on your active Plan, plus the following benefits for the duration of the promotion:

1. an Instant Access Savings interest rate boost (the **Instant Access Savings Interest Rate Boost**);
2. a RevPoints boost (the **RevPoints Boost**); and
3. access to free subscriptions, credits or passes (**Subscriptions**) from selected partners (**Partners**) which can be redeemed as part of your Student Benefits.

Instant Access Savings Interest Rate Boost

Upon successful verification of your eligibility under these Promotional Terms, a gross interest rate boost of 0.25 percentage points per annum (p.p.p.a) will be applied on top of the rate applicable to your plan (the **Plan Rate**).

The boost applies only to our Instant Access Savings products, across all Plans, rates and currencies in which they are offered in the Market, excluding Revolut Kids & Teens Instant Access Savings and Joint Instant Access Savings (the **Eligible Products**).

The boost does not apply to any other product. It does not stack with any other promotional or boosted rate. If a client is subject to or eligible for multiple promotional or boosted rates of any kind, the highest rate for which the client qualifies shall prevail.

Full details on Instant Access Savings can be reviewed in the information sheet provided here, as well as in [Instant Access Savings terms](#).

The interest rate boost applies up to a limited maximum amount from your balance in the Eligible Products (the **Boost Cap**). The Boost Cap depends on the currency of your account and is set out in the table below.

Account currency	Boost Cap
EUR	€10,000

Your total boosted rate is your Plan Rate plus 0.25 p.p.p.a., up to the Boost Cap. Any balance above the Boost Cap earns the Plan Rate only, without the boost.

For example, a Standard account in EUR has a Plan Rate of 2.00% p.a. (gross) on the part of your balance up to €3,000 and 1.00% p.a. (gross) on the part above €3,000, and your Boost Cap is €10,000. On a balance of €12,000 you would earn:

- **2.25% p.a. (gross)** on the first €3,000 (2.00% + 0.25%);
- **1.25% p.a. (gross)** on the part from €3,000 to €10,000 (1.00% + 0.25%); and
- **1.00% p.a. (gross)** on the part above €10,000, i.e. above the Boost Cap (Plan Rate only, no boost).

The example is based on a Standard EUR account and shows the actual rates for that account as at 24 August 2026. Your own Plan may have different rates or balance tiers. To find the Plan and rates that apply to you, and the date from which they apply, look up your own Plan in the information sheet, available [here](#).

All Plan Rates are variable and may increase or decrease after that date. Your 0.25 p.p.p.a. boost remains fixed. However, because it is added on top of your variable Plan Rate, your overall interest rate will increase or decrease whenever your Plan Rate changes. All amounts are expressed in the currency of your account, and any interest is shown gross, before any tax that may apply in your country of residence.

To use this benefit you need to open or hold an active Instant Access Savings account. Please refer to the [Instant Access Savings terms](#) for more details about this product.

RevPoints boost

Once your eligibility is verified, you will earn 2x RevPoints (twice your Plan's RevPoints earn rate that applies to your Plan) when transacting with selected eligible merchants or categories. The RevPoints boost does not stack with any other promotional or boosted rate. If a client is subject to or eligible for multiple promotional or boosted RevPoints offers of any kind, the highest RevPoints boost for which the client qualifies shall prevail.

The eligible merchants and categories are shown in the App and may change from time to time.

To use this benefit you need to open or hold an active RevPoints account. Please refer to the [RevPoints terms](#) for more details about this product.

Subscriptions

Once your eligibility is verified, you will get access to selected Subscriptions.

The Subscriptions currently made available under this promotion are provided by the following selected Partners: Canva, Superhuman, Kickresume, Financial Times,

ChatGPT and Dott. Available Subscriptions are shown in the Revolut App under the Student Benefits Hub and may change from time to time. At the launch of the promotion, the maximum value resulting from the available Subscriptions is EUR 400. Each Subscription has its own terms and conditions (the **Offer Terms**), which state details of the Subscription and what you need to do to redeem it. For more information on a specific Subscription, please refer to the relevant Offer Terms section below.

Keeping your Student Benefits

To keep your Student Benefits, you must:

1. continue to meet the eligibility requirements,
2. re-verify your university email address when we ask you to do so, and at least once every 12 months.

Ending your Student Benefits

Your Student Benefits will run until the Promotion End Date, but will end sooner if you:

1. graduate;
2. no longer meet the eligibility requirements; or
3. do not re-verify your university email address when we ask you to.

You can stop your Student Benefits by not re-verifying your university email address when we ask you to — there is no separate opt-out step. What happens once your Student Benefits end is set out below.

What happens after your Student Benefits End

Whenever your Student Benefits come to an end — for any of the reasons above — the following applies from that point onwards:

- **Your boosts stop.** The Instant Access Savings Interest Rate Boost and the RevPoints Boost are removed, and you will earn only your Plan Rate and your Plan's RevPoints earn rate.
- **What you've already earned stays.** Any interest already credited to you and any RevPoints you have already earned are not affected and remain subject to the [Personal Terms](#) and the standard [RevPoints terms](#).
- **Partner Subscriptions are separate — and may keep charging.** You will no longer have access to any new or unredeemed Subscriptions through the promotion. Any

Subscription you have already redeemed with the Partner will continue, end or renew under the Partner's own terms and conditions, and you must cancel it directly with the Partner if you no longer want it, as some Subscriptions may automatically convert into a paid subscription with the Partner after the free period unless cancelled. During the redemption process with the Partner, you may be asked to add a payment method.

- **Your account is unaffected.** Your underlying Plan and Revolut Personal account continue to be governed by the [Personal Terms](#) and, if you hold a Paid Plan, by the [Paid Plan Terms](#).

Offer Terms

This section provides Offer Terms for available selected partners.

Revolut ChatGPT Offer T&Cs

1. This subscription (the **Subscription**) gives you access to ChatGPT Go for a limited period of time.
2. These terms (the **Offer Terms**) are Revolut Bank UAB's (acting where applicable through the local branch that provides you with your Revolut account) terms that apply to the Subscription available under the Student Benefits Promotion. They form part of, and should be read together with the Student Benefits Promotion Terms and Conditions (the **Student Benefits Promotion T&Cs**). In the event of any conflict, these Offer Terms prevail in respect of matters specific to the Subscription.
3. The underlying Subscription is provided by our third-party partner, OpenAI (the **Partner**). When you redeem the Subscription, you take it out directly with the Partner (the **Partner Subscription**) and, in doing so, agree to the Partner's own terms and conditions, which govern your use of the Partner's service. Revolut has no control over that relationship and will not be responsible for any issues arising from or in connection with the service the Partner provides to you. This does not limit Revolut's responsibility for its own acts or omissions.
4. In order to redeem this Subscription, you must follow the steps set out below:
 - 4.1. Go to your Revolut Student Benefits Hub by clicking on "Profile" in the top left hand corner and clicking on "Student Benefits";

4.2. In the Student Benefits Hub, select ChatGPT Go. On iOS, this sits under Subscriptions and opens in your browser;

4.3. Click on 'Go to ChatGPT Go' and you will be redirected to a ChatGPT landing page. From the ChatGPT landing page you can either create a new profile or login to your existing account;

4.4. You will be able to click on the prompt "Claim free offer" once you have created your profile or logged in to your existing account;

4.5. If you have an existing ChatGPT subscription, how you redeem ChatGPT Go via Revolut depends on how you are billed. If you have a subscription directly with Partner:

4.5.1. If ChatGPT Go is a higher tier than your current subscription, your new ChatGPT Go subscription will start immediately;

4.5.2. If ChatGPT Go is the same as your current tier or a downgrade, your new ChatGPT Go subscription will start at the end of your current subscription's billing cycle.

5. Subject to point 14 of these Offer Terms, this Subscription is valid for 6 months so long as the Student Benefits Promotion and your participation in it remain active, unless ended earlier under the Promotion T&Cs. After the 6 month period, your Subscription automatically renews at the standard ChatGPT Go rate on a monthly basis unless you cancel. If you no longer wish to continue with the ChatGPT Go Subscription after the 6 month promotion, you must cancel at least 24 hours before your first billing date to which the 6 month promotional trial does not apply.

6. If your participation in the Student Benefits Promotion ends for any reason, whether because the promotion itself ends, or because you cease to meet the eligibility criteria (such as upon graduation, loss of eligibility, or failure to re-verify your university email), your promotional access to this Subscription will end and you will no longer be able to redeem it through the promotion. If you later become eligible again, you will not be granted a new or replacement promotional code and will only have access to your original code.

7. Any Partner Subscription you have already redeemed is separate: it may continue, renew or end under the Partner's own terms, and some may convert into a paid subscription unless you cancel directly with the Partner. You may also decide to

terminate your ChatGPT Go Subscription at any time in accordance with the Partner's terms and conditions, by following the steps set out in the Partner platform.

8. Subscriptions are non-transferable, non-cumulative and cannot be exchanged for cash or other products with Revolut or Partner.

9. The Subscription offer is for personal use by eligible Revolut users only. The Subscription is only available to Student Benefits Promotion users in certain markets and if it is not shown to you in the App, it is not available to you.

10. You can hold only one active Subscription code at a time, and codes cannot be stacked or combined. Where the Partner Subscription is available under both your Revolut Paid Plan and the Student Benefits Promotion, and the benefit is the same under both, the Subscription attached to your Revolut Paid Plan applies and no Student Benefits Promotion code will be issued to you. If you change your Revolut Paid Plan and, as a result, are no longer eligible for the Subscription, we will deactivate the code (which may take up to 30 days from your plan change to take effect) and you will be eligible to redeem the Subscription via the Student Benefits Promotion by following the steps set out in clause 4 of these terms.

11. The Subscription is available only to:

- Revolut customers who have a personal account opened under our Personal Terms with no restrictions, and
- meet the eligibility criteria for the Student Benefits Promotion.

12. By signing up to this Subscription, you agree to OpenAI's Terms and Conditions (<https://openai.com/en-GB/policies/row-terms-of-use/>).

13. In the event that the Partner URL does not work, please reach out to Revolut Support. For any other issues in relation to your Subscription, please refer to Open AI's customer service team at support@openai.com or on their help center.

14. The Subscription and the Offer Terms may only be changed due to:

- changes to the Partner's offer;
- termination of our Partner agreement; or
- legal or regulatory requirements.

15. Where a change is to your disadvantage, we will give at least 30 days' advance notice so you can cancel before it takes effect. This notice requirement does not apply to minor or beneficial changes, or if the Subscription ends due to lost eligibility.

Financial Times Subscriptions T&Cs

1. This subscription (the **Subscription**) gives you access to the Financial Times' "FT Edit".
2. These terms (the **Offer Terms**) are Revolut Bank UAB's (acting where applicable through the local branch that provides you with your Revolut account) terms that apply to the Subscription available under the Student Benefits Promotion. They form part of, and should be read together with the Student Benefits Promotion Terms and Conditions (the **Student Benefits Promotion T&Cs**). In the event of any conflict, these Offer Terms prevail in respect of matters specific to the Subscription.
3. The underlying Subscription is provided by our third-party partner, the Financial Times (the **Partner**). When you redeem the Subscription, you take it out directly with the Partner (the **Partner Subscription**) and, in doing so, agree to the Partner's own terms and conditions, which govern your use of the Partner's service. Revolut has no control over that relationship and will not be responsible for any issues arising from or in connection with the service the Partner provides to you. This does not limit Revolut's responsibility for its own acts or omissions.
4. Some universities provide access to the Partner's services under their own licence. If your university already provides you with access, you should use that access instead and you may not be able to redeem this Subscription. You can check here.
5. In order to redeem this Subscription, you must follow the steps set out below:
 - Go to your Revolut Student Benefits Hub by clicking on "Profile" in the top left hand corner and clicking on "Student Benefits";
 - In the Student Benefits Hub, select Financial Times. On iOS, this sits under Subscriptions and opens in your browser;
 - Click on 'Go to Financial Times' and you will be redirected to the Financial Times landing page;
 - Create your account and your Subscription will be automatically applied;
 - If you have an existing Financial Times subscription, you will be shown that you are ineligible for the offer, and suggested to contact Financial Times Customer Care.
6. Subject to point 15 of these Offer Terms, this Subscription is valid for as long as the Student Benefits Promotion and your participation in it remain active, unless ended earlier under the Promotion T&Cs.

7. If your participation in the Student Benefits Promotion ends for any reason, whether because the promotion itself ends, or because you cease to meet the eligibility criteria (such as upon graduation, loss of eligibility, or failure to re-verify your university email), your promotional access to this Subscription will end and you will no longer be able to redeem it through the promotion. If you later become eligible again, you will not be granted a new or replacement promotional code and will only have access to your original code.

8. Any Partner subscription you have already redeemed is separate: it may continue, renew or end under the Partner's own terms.

9. Subscriptions are non-transferable, non-cumulative and cannot be exchanged for cash or other products with Revolut or Partner.

10. The Subscription offer is for personal use by eligible Revolut users only. The Subscription is only available to Student Benefits Promotion users in certain markets and if it is not shown to you in the App, it is not available to you.

11. If the Subscription is already included in your Revolut Paid Plan, the benefit under your Revolut Paid Plan continues to apply and you will not receive an additional, extended or replacement subscription under the Student Benefits Promotion. Where you would be eligible for a Subscription under both your Revolut Paid Plan and the Student Benefits Promotion, the more favourable benefit applies. This Subscription is therefore available to eligible customers on Revolut plans that do not already include this Partner Subscription.

12. The Subscription is available only to:

- Revolut customers who have a personal account opened under our Personal Terms with no restrictions, and
- meet the eligibility criteria for the Student Benefits Promotion.

13. By signing up this Partner Subscription, you agree to Partner's Terms and Conditions (<https://help.ft.com/legal-privacy/terms-and-conditions/>).

14. In the event that the Partner URL does not work, please reach out to Revolut Support. For any other issues in relation to your Partner's service, please refer to the Partner's customer service team by email at help@ft.com or <https://help.ft.com/contact/>

15. The Subscription and the Offer Terms may only be changed due to:

- changes to the Partner's offer;

- termination of our Partner agreement; or
- legal or regulatory requirements.

16. Where a change is to your disadvantage, we will give at least 30 days' advance notice so you can cancel before it takes effect. This notice requirement does not apply to minor or beneficial changes, or if the Subscription ends due to lost eligibility.

Canva Subscriptions T&Cs

1. This subscription (the **Subscription**) gives you access to Canva Pro for a limited period of time.
2. These terms (the **Offer Terms**) are Revolut Bank UAB's (acting where applicable through the local branch that provides you with your Revolut account) terms that apply to the Subscription available under the Student Benefits Promotion. They form part of, and should be read together with the Student Benefits Promotion Terms and Conditions (the **Student Benefits Promotion T&Cs**). In the event of any conflict, these Offer Terms prevail in respect of matters specific to the Subscription.
3. The underlying Subscription is provided by our third-party partner, Canva (the **Partner**). When you redeem the Subscription, you take it out directly with the Partner (the **Partner Subscription**) and, in doing so, agree to the Partner's own terms and conditions, which govern your use of the Partner's service. Revolut has no control over that relationship and will not be responsible for any issues arising from or in connection with the service the Partner provides to you. This does not limit Revolut's responsibility for its own acts or omissions.
4. In order to redeem this Subscription, you must follow the steps set out below:
 - Go to your Revolut Student Benefits Hub by clicking on "Profile" in the top left hand corner and clicking on "Student Benefits";
 - In the Student Benefits Hub, select Canva pro. On iOS, this sits under Subscriptions and opens in your browser;
 - Copy your promo code;
 - Click on 'Go to Canva Pro' and you will be redirected to a Canva landing page;
 - Paste your promo code on the Canva landing page;
 - Create your profile or login if you are an existing user;
 - If you have an existing Canva Subscription, you need to wait until it expires to redeem this Subscription. Once your subscription has expired, you can benefit

from the Subscription by following the steps above.

5. Subject to point 14 of these Offer Terms, this Subscription is valid for 12 months so long as the Student Benefits Promotion and your participation in it remain active, unless ended earlier under the Promotion T&Cs.

6. If your participation in the Student Benefits Promotion ends for any reason, whether because the promotion itself ends, or because you cease to meet the eligibility criteria (such as upon graduation, loss of eligibility, or failure to re-verify your university email), your promotional access to this Subscription will end and you will no longer be able to redeem it through the promotion. If you later become eligible again, you will not be granted a new or replacement promotional code and will only have access to your original code.

7. Any Partner Subscription you have already redeemed is separate: it may continue, renew or end under the Partner's own terms, and some may convert into a paid subscription unless you cancel directly with the Partner. You may also decide to terminate your Canva Subscription at any time in accordance with the Partner's terms and conditions, by following the steps set out in the Partner app.

8. Subscriptions are non-transferable, non-cumulative and cannot be exchanged for cash or other products with Revolut or Partner.

9. The Subscription offer is for personal use by eligible Revolut users only. The Subscription is only available to Student Benefits Promotion users in certain markets and if it is not shown to you in the App, it is not available to you.

10. If the Subscription is already included in your Revolut Paid Plan, the benefit under your Revolut Paid Plan continues to apply and you will not receive an additional, extended or replacement subscription under the Student Benefits Promotion. Where you would be eligible for a Subscription under both your Revolut Paid Plan and the Student Benefits Promotion, the more favourable benefit applies. This Subscription is therefore available to eligible customers on Revolut plans that do not already include this Partner Subscription.

11. The Subscription is available only to:

- Revolut customers who have a personal account opened under our Personal Terms with no restrictions, and
- meet the eligibility criteria for the Student Benefits Promotion.

12. By signing up this Partner Subscription, you agree to Partner's Terms and Conditions (<https://www.canva.com/policies/terms-of-use/>).

13. In the event that the URL does not work, please reach out to Revolut Support. For any other issues in relation to your Partner's service, please refer to the Partner's help page: https://www.canva.com/en_gb/help/

14. The Subscription and the Offer Terms may only be changed due to:

- changes to the Partner's offer;
- termination of our Partner agreement; or
- legal or regulatory requirements.

15. Where a change is to your disadvantage, we will give at least 30 days' advance notice so you can cancel before it takes effect. This notice requirement does not apply to minor or beneficial changes, or if the Subscription ends due to lost eligibility.

Kickresume Subscriptions T&Cs

1. This subscription (the **Subscription**) gives you access to Kickresume Pro for a limited period of time.
2. These terms (the **Offer Terms**) are Revolut Bank UAB's (acting where applicable through the local branch that provides you with your Revolut account) terms that apply to the Subscription available under the Student Benefits Promotion. They form part of, and should be read together with the Student Benefits Promotion Terms and Conditions (the **Student Benefits Promotion T&Cs**). In the event of any conflict, these Offer Terms prevail in respect of matters specific to the Subscription.
3. The underlying subscription is provided by our third-party partner, Kickresume (the **Partner**). When you redeem the Subscription, you take it out directly with the Partner (the **Partner Subscription**) and, in doing so, agree to the Partner's own terms and conditions, which govern your use of the Partner's service. Revolut has no control over that relationship and will not be responsible for any issues arising from or in connection with the service the Partner provides to you. This does not limit Revolut's responsibility for its own acts or omissions.
4. In order to redeem this Subscription, you must follow the steps set out below:
 - Go to your Revolut Student Benefits Hub by clicking on "Profile" in the top left hand corner and clicking on "Student Benefits";

- In the Student Benefits Hub, select Kickresume. On iOS, this sits under Subscriptions and opens in your browser;
- Click on 'Go to Kickresume Pro'; and you will be redirected to a Kickresume landing page;
- Create your profile or login if you are an existing user;
- If you have an existing Kickresume Subscription, you need to wait until it expires to redeem this Subscription. Once your subscription has expired, you can benefit from the Subscription by following the steps above.

5. Subject to point 14 of these Offer Terms, this Subscription is valid for 12 months so long as the Student Benefits Promotion and your participation in it remain active, unless ended earlier under the Promotion T&Cs.

6. If your participation in the Student Benefits Promotion ends for any reason, whether because the promotion itself ends, or because you cease to meet the eligibility criteria (such as upon graduation, loss of eligibility, or failure to re-verify your university email), your promotional access to this Subscription will end and you will no longer be able to redeem it through the promotion. If you later become eligible again, you will not be granted a new or replacement promotional code and will only have access to your original code.

7. Any Partner Subscription you have already redeemed is separate: it may continue, renew or end under the Partner's own terms, and some may convert into a paid subscription unless you cancel directly with the Partner. You may also decide to terminate your Subscription at any time in accordance with the Partner's terms and conditions, by following the steps set out in the Partner app.

8. Subscriptions are non-transferable, non-cumulative and cannot be exchanged for cash or other products with Revolut or Partner.

9. The Subscription offer is for personal use by eligible Revolut users only. The Subscription is only available to Student Benefits Promotion users in certain markets and if it is not shown to you in the App, it is not available to you.

10. If the Subscription is already included in your Revolut Paid Plan, the benefit under your Revolut Paid Plan continues to apply and you will not receive an additional, extended or replacement subscription under the Student Benefits Promotion. Where you would be eligible for a Subscription under both your Revolut Paid Plan and the Student Benefits Promotion, the more favourable benefit applies. This Subscription is

therefore available to eligible customers on Revolut plans that do not already include this Partner Subscription.

11. The Subscription is available only to:

- Revolut customers who have a personal account opened under our Personal Terms with no restrictions, and
- meet the eligibility criteria for the Student Benefits Promotion.

12. By signing up this Partner Subscription, you agree to Partner's Terms and Conditions (<https://www.kickresume.com/terms/>).

13. In the event that the URL does not work, please reach out to Revolut Support. For any other issues in relation to your Partner's service, please refer to the Kickresume's customer service team:

- by email helpme@kickresume.com or
- by web form <https://www.kickresume.com/en/contact/> or
- via help center <https://intercom.help/kickresume/en/>

14. The Subscription and the Offer Terms may only be changed due to:

- changes to the Partner's offer;
- termination of our Partner agreement; or
- legal or regulatory requirements.

15. Where a change is to your disadvantage, we will give at least 30 days' advance notice so you can cancel before it takes effect. This notice requirement does not apply to minor or beneficial changes, or if the Subscription ends due to lost eligibility.

Superhuman Subscriptions T&Cs

1. This subscription (the **Subscription**) gives you access to Superhuman Go for a limited period of time.
2. These terms (the **Offer Terms**) are Revolut Bank UAB's (acting where applicable through the local branch that provides you with your Revolut account) terms that apply to the Subscription available under the Student Benefits Promotion. They form part of, and should be read together with the Student Benefits Promotion Terms and Conditions (the **Student Benefits Promotion T&Cs**). In the event of any conflict, these Offer Terms prevail in respect of matters specific to the Subscription.

3. The underlying subscription is provided by our third-party partner, Superhuman Platform Inc (the **Partner**). When you redeem the Subscription, you take it out directly with the Partner (the **Partner Subscription**) and, in doing so, agree to the Partner's own terms and conditions, which govern your use of the Partner's service. Revolut has no control over that relationship and will not be responsible for any issues arising from or in connection with the service the Partner provides to you. This does not limit Revolut's responsibility for its own acts or omissions.

4. In order to redeem this Subscription, you must follow the steps set out below:

- Go to your Revolut Student Benefits Hub by clicking on "Profile" in the top left hand corner and clicking on "Student Benefits";
- In the Student Benefits Hub, select Superhuman. On iOS, this sits under Subscriptions and opens in your browser;
- Copy your promo code;
- Click on 'Go to Superhuman Go'; and you will be redirected to a Superhuman landing page;
- Paste your promo code on the Superhuman landing page;
- Create your profile or login if you are an existing user;
- If you have an existing Superhuman or Grammarly Subscription, you need to wait until it expires to redeem this Subscription. Once your subscription has expired, you can benefit from the Subscription by following the steps above

5. Subject to point 14 of these Offer Terms, this Subscription is valid for 12 months so as long as the Student Benefits Promotion and your participation in it remain active, unless ended earlier under the Promotion T&Cs.

6. If your participation in the Student Benefits Promotion ends for any reason, whether because the promotion itself ends, or because you cease to meet the eligibility criteria (such as upon graduation, loss of eligibility, or failure to re-verify your university email), your promotional access to this Subscription will end and you will no longer be able to redeem it through the promotion. If you later become eligible again, you will not be granted a new or replacement promotional code and will only have access to your original code.

7. Any Partner Subscription you have already redeemed is separate: it may continue, renew or end under the Partner's own terms, and some may convert into a paid subscription unless you cancel directly with the Partner. You may also decide to terminate your Partner Subscription at any time in accordance with the Partner's terms and conditions, by following the steps set out in the Partner app.

8. Subscriptions are non-transferable, non-cumulative and cannot be exchanged for cash or other products with Revolut or Partner.

9. The Subscription offer is for personal use by eligible Revolut users only. The Subscription is only available to Student Benefits Promotion users in certain markets and if it is not shown to you in the App, it is not available to you.

10. If the Subscription is already included in your Revolut Paid Plan, the benefit under your Revolut Paid Plan continues to apply and you will not receive an additional, extended or replacement subscription under the Student Benefits Promotion. Where you would be eligible for a Subscription under both your Revolut Paid Plan and the Student Benefits Promotion, the more favourable benefit applies. This Subscription is therefore available to eligible customers on Revolut plans that do not already include this Partner Subscription.

11. The Subscription is available only to:

- Revolut customers who have a personal account opened under our Personal Terms with no restrictions, and
- meet the eligibility criteria for the Student Benefits Promotion.

12. By signing up this Partner Subscription, you agree to Partner's Terms and Conditions (<https://superhuman.com/legal/terms>).

13. In the event that the Partner URL does not work, please reach out to Revolut Support. For any other issues in relation to your Partner's service, please refer to Partner's customer service here: <https://www.grammarly.com/contact>

14. The Subscription and the Offer Terms may only be changed due to:

- changes to the Partner's offer;
- termination of our Partner agreement; or
- legal or regulatory requirements.

15. Where a change is to your disadvantage, we will give at least 30 days' advance notice so you can cancel before it takes effect. This notice requirement does not apply to minor or beneficial changes, or if the Subscription ends due to lost eligibility.

Dott Student benefits Offer T&Cs

1. This benefit gives you access to one free ride of up to 10 minutes on Dott shared e-scooters and e-bikes, every calendar month by using a monthly promo code in the Partner App (the **Benefit**).
2. These terms (the **Offer Terms**) are Revolut Bank UAB's (acting where applicable through the local branch that provides you with your Revolut account) terms that apply to the Benefit available under the Student Benefits Promotion. They form part of, and should be read together with the Student Benefits Promotion Terms and Conditions (the **Student Benefits Promotion T&Cs**). In the event of any conflict, these Offer Terms prevail in respect of matters specific to the Benefit.
3. The underlying Benefit is provided by our third-party partner: em Transit B.V., and its affiliates, trading as "Dott" (the **Partner**). When you redeem the Benefit, you take it out directly with the Partner (the **Partner Benefit**) and, in doing so, agree to the Partner's [General Terms and Conditions](#) (the **Partner Terms**), which govern your use of the Partner's service and the Benefit. Revolut has no control over that relationship and will not be responsible for any issues arising from or in connection with the service the Partner provides to you. This does not limit Revolut's responsibility for its own acts or omissions.
4. In order to redeem this Benefit, you must follow the steps set out below:
 - a. Go to your Revolut Student Benefits Hub by clicking on "Profile" in the top left hand corner and clicking on "Student Benefits";
 - b. In the Student Benefits Hub, select Dott. On iOS, this sits under Subscriptions and opens in your browser;
 - c. Click on 'Go to Dott' and you will be redirected to a Dott landing page
 - d. If you do not already have the Dott app, you will be taken to download it. Open the app and log in or sign up;
 - e. If you already have a Dott account, you do not need to create a new one. If you are logged in, the code applies as soon as the Dott app opens; if you are logged out, it applies once you log in. You must have and maintain an active Dott account in good standing to redeem the Benefit.
 - f. Your unique promo code will be applied automatically in the Dott app. You can find it in the Menu, under "Promos".
 - g. Before starting your ride, check that the correct code is selected in the Dott app
5. Subject to point 15 of these Offer Terms, we will issue you a monthly promo code for as long as the Dott Benefit, the Student Benefits Promotion and your participation in it remain active and eligible, unless ended earlier under the Promotion T&Cs and/or the Partner Terms.
6. Each promo code:
 - a. is valid for the calendar month in which it is issued to you and cannot be extended or renewed once it has passed;

b. will be replaced automatically in your Revolut app every month, so long as you remain eligible for the Benefit;

c. entitles you to one ride of up to 10 minutes (including the unlock fee). Standard pay-as-you-go pricing of the Partner applies for the rest of the ride and any further rides you take;

d. unused minutes expire at the end of the ride and cannot be carried over to subsequent months or subsequent rides. For the avoidance of doubt, the 10 minutes can be used only on a single ride.

7. If your participation in the Student Benefits Promotion ends for any reason, including because the promotion itself ends, or because you cease to meet the eligibility criteria (such as upon graduation, loss of eligibility, or failure to re-verify your university email), your promotional access to this Benefit will end and you will no longer be able to redeem it through the promotion. If you later become eligible again, you will not be granted a new or replacement promotional code in the same calendar month and will only have access to your original code.

8. Any Partner Benefit you have already redeemed is separate: it may continue, renew or end under the Partner's Terms, and some may convert into a paid Benefit unless you cancel directly with the Partner. You may also decide to terminate your Dott Benefit at any time in accordance with the Partner's Terms, by following the steps set out in the Partner App.

9. Benefits and any promotional code are personal, non-transferable, non-cumulative and cannot be sold, gifted or exchanged for cash or other products with Revolut or Partner.

10. The Benefit offer is for personal use by eligible Revolut users only. The Benefit is only available to Student Benefits Promotion users in certain markets and if it is not shown to you in the Revolut app, it is not available to you.

11. You can hold only one active Benefit code at a time, and codes cannot be stacked or combined. Where the Partner Benefit is available under both your Revolut Paid Plan and the Student Benefits Promotion the better benefit will apply. In this case, the Benefit attached to your Revolut Paid Plan applies and no Student Benefits Promotion code will be issued to you. If you move to a Revolut Plan which does not include the Dott benefit and, as a result, are no longer eligible for the relevant Benefit, you will be eligible to redeem the Benefit via the Student Benefits Promotion for that same calendar month by following the steps set out in clause 4 of these terms.

12. The Benefit is available only to:

- Revolut customers who have a personal account opened under our Personal Terms with no restrictions, and
- meet the eligibility criteria for the Student Benefits Promotion.

13. By claiming up to this Benefit, you agree to the Partner Terms: Dott's General Terms and Conditions for your country available at <https://ridedott.com/terms-and-conditions/>

14. In the event that the Partner URL does not work, please reach out to Revolut Support. For any issues in relation to the Partner's products or services, please refer to Dott's customer service team at support@ridedott.com

15. The Benefit and the Offer Terms may only be changed due to:

- changes to the Partner's offer;
- termination of our Partner agreement; or
- legal or regulatory requirements.

16. Where a change is to your disadvantage, we will give at least 30 days' advance notice so you can cancel before it takes effect. This notice requirement does not apply to minor or beneficial changes, or if the Benefit ends due to lost eligibility.

Legal bits and pieces

Subject	Clause
Promotion abuse or misuse	We may suspend, change or end the promotion if there are reasonable grounds to believe that it's being abused or reasonably unforeseeable circumstances that are outside of our control arise and make it impossible to continue the promotion. We may suspend or end the promotion on an individual or promotion-wide basis. Any issues? Contact Support in the Revolut app.
Changes or early end	If we need to change, suspend or end the promotion before the Promotion End Date or the Enrolment Period, we will tell you about this in the same way we invited you to the promotion (e.g. email, push notification, in-app). If you have already participated in the promotion, we will give notice through the Revolut app and/or email. Don't worry – if you've already taken part in the promotion, any changes to these Promotion Terms won't affect you unless required by applicable law. Please contact our Support team if you believe you qualify for a particular benefit in relation to the promotion that has not been awarded to you due to the change, early suspension, or termination.

Subject	Clause
Account closed or restricted	To receive Student Benefits, you must continue to hold an active Revolut Personal account (not closed, suspended or restricted).
Fraud or rule-breaking	If you breach the Personal Terms that apply to your Revolut Personal account, these Promotion Terms, or participate in the promotion fraudulently, we may reverse any Student benefit provided to your account. By proceeding, you authorise and consent in debiting your account in the amount of the credited Student Benefit.
Taxes	If you receive any benefit from this offer, it may be subject to income tax in your country of residence or where you are a tax resident. It is your responsibility to pay any tax that might apply. Revolut is not responsible for your tax obligations related to this promotion.
Data & Privacy	We will process your personal data in line with the Customer Privacy Notice that applies to your Revolut Personal account.
Liability	We are liable to you in accordance with applicable law. Nothing in these Promotion Terms excludes or limits our liability for fraud, wilful misconduct, gross negligence, injury to life, body or health, or any other liability that cannot be excluded or limited under applicable law. Subject to the above, and to the maximum extent permitted by applicable law, we are not liable for loss that was not reasonably foreseeable.
Exclusions	Employees, directors, agents, contractors and affiliates of Revolut group entities are not eligible for this promotion.
Language	These Promotion Terms are published in English and Italian. The Italian version of these terms prevails over the English version and will be used in any proceedings.

This Promotion is organised and offered to you by Revolut Bank UAB - Succursale Italiana, with the registered address Via Dante 7, 20123 Milan, Italy. The law that applies to these Promotion Terms is Lithuanian Law, and the competent courts of Italy have jurisdiction.

If you have a complaint about this promotion, you can raise it directly by using this [form](#) or emailing them at formalcomplaints@revolut.com.
