How do I start my Revolut Free Trial?

To start your Paid Plan Free Trial, you will need to complete the following steps within 14 business days after the end of the Promotion Period:

- If you are not an existing Revolut Personal customer, you must successfully open a Revolut Personal account; and
- You must respond to our Brand Ambassador's email to accept the Paid Plan Free Trial.

After doing this, Support will be in touch with you via the Revolut app to activate your Paid Plan Free Trial. If you do not complete the above steps within the required timeframe, you will lose your right to the Paid Plan Free Trial.

Just so you know, the [Paid Plan Terms](#) and [Fees pages](#) will apply to you during your Paid Plan Free Trial. We will not charge you the subscription fee for the period of time included in your Paid Plan Free Trial. On the expiry of the Paid Plan Free Trial, normal cancellation and billing rules will apply and we'll start taking payments for your subscription either monthly or yearly depending on what you agreed to when you signed up for the Paid Plan.

Right to cancel

You have the **right to cancel** your subscription plan within the Paid Plan Free Trial, after which normal cancellation rules will apply. Depending on the Revolut group entity that provides you with your Personal account, this could mean that normal fees

for downgrading your Paid Plan subscription will apply or that you are bound by a minimum term during which you cannot downgrade (see sections 11 and 12 of the Paid Plan Terms for more information).

Termination of your account is subject to the rules set out in the [Personal Terms](#) and the Paid Plan Terms.
