

1 Month Subscription to Revolut Premium Plan

What is this promotion about?

We are inviting new or existing Revolut Technologies Inc. Standard plan customers to try our paid Premium subscription plan ("Premium Plan") without the monthly fee for a period of time as offered by us ("Premium Trial Promotion"). Selected customers will be able to access this Premium Trial Promotion by either clicking the link provided in relevant promotional materials, and then clicking through the relevant plan selection screens, or by clicking through the relevant screens in the Plan Selection dashboard in their Revolut app during the account opening process.

Who is eligible for the Premium Trial Promotion?

The Premium Trial Promotion is open to select new customers of Revolut Technologies Inc. who have passed our Know Your Customer requirements during the onboarding process. Customers who are selected will be shown the Premium Trial Promotion in the Plan Selection dashboard in their Revolut app.

This Premium Trial Promotion runs for a period of time at Revolut's discretion (the "Promotion Period").

How do I start my Premium Trial?

Starting your Premium Trial is easy. Once you've been selected, you will be able to see the Premium Trial Promotion in the Plan Selection dashboard in your Revolut app, either during onboarding or by following the link provided in the relevant promotional materials, then all you need to do is sign up for a Premium Plan during the Promotion Period and meet the criteria set out in these terms and conditions.

Revolut's prepaid card plans are each subject to the Revolut [Cardholder Terms](#). The terms and conditions for your selected Premium Plan along with the Cardholder Terms will apply to you during your Premium Trial period.

We will not charge you a monthly Premium plan fee for the period of time included in your Premium Trial. We will tell you in the Premium Trial Promotion dashboard how long you'll receive your Premium Plan, without the monthly fee, so you are aware before you sign up. After your Premium Trial ends, by default you will remain on the Premium Plan unless you tell us otherwise, and normal billing will apply.

You may access all of the Premium features during the Premium Trial even if you do not order a physical Premium card. If you are not sure that you would like to continue using the Premium Plan, we suggest that you use a virtual card during the Trial Period, until you are sure that you want to keep the Premium plan. If you order a Premium card during the Premium Trial, you may keep the Premium card even after the trial ends, however, fees may apply.

If you order a Premium card during your Premium Trial period and then cancel your Premium Plan before the end or at the end of your Premium Trial period, you may be subject to cancellation and downgrade fees. Be sure to carefully review the following cancellation and downgrade fees that may apply to you:

Premium Trial Cancellation and Downgrade Fees:

- If you participate in the Premium Trial and order a Premium card, any cancellation of the Premium Trial will result in a \$19.99 Cancellation Fee, regardless of the Early Card and Plan Services Cancellation and Downgrade Fee provisions of the Cardholder Agreement;
- If you cancel after the Premium Trial end date, you will be charged a \$19.99 Cancellation Fee, even if you do not order a Premium card. This is because our Paid Plans are on 12-month terms.

Make sure you remember that our Paid Plans are all on 12 month terms (not including the 1 month Premium Trial). You can leave these Paid Plans early, but fees may apply if you do.
