Plan Trial

In some cases you may be offered a trial of the product for a period of time without the Plan fee. During a plan trial you are granted the allowances stated above, according to the plan you chose during signup. If you exceed these allowances we will charge you as per the fees above.

Billing Cycle

You will be billed in advance of the month. Your allowances will reset on the first day of the billing month. If you chose to move plan mid-billing cycle, your subscription will start again and your allowances will be reset according to your new plan immediately.

Exchange

Whenever you make a currency exchange in the Revolut app or Revolut Dashboard, we'll use an exchange rate based on our market rate, which is based on foreign-exchange market rates.

There is more information about our exchange rate in our Business Terms.

For certain conversions we apply an extra percentage-based fee, which may change according to when and how frequently the currencies are traded. These fees are set out in the table below.

We charge a higher fee outside foreign-exchange-market hours because less currency is traded during these times. Foreign-exchange-market hours are 4:00 PM on Friday to 5:00 PM on Sunday Eastern Time.

FOREIGN EXCHANGE STANDARD EXCHANGE RATES AND FEES DURING FOREIGN EXCHANGE MARKET HOURS

- THB and UAH: 1.0% plus the interbank rate
- USD, GBP, EUR, AUD, CAD, NZD, CHF, JPY, SEK, HKD, NOK, SGD, DKK, and PLN: The interbank rate
- Any other currency not listed above: The interbank rate

FOREIGN EXCHANGE STANDARD EXCHANGE RATES AND FEES OUTSIDE FOREIGN EXCHANGE MARKET HOURS

- THB and UAH: 2.0% plus the interbank rate
- USD, GBP, EUR, AUD, CAD, NZD, CHF, JPY, SEK, HKD, NOK, SGD, DKK, and PLN: 1% plus the interbank rate
- Any other currency not listed above: 1% plus the interbank rate

The highest rate relevant to your conversion will apply. For example, for a conversion between USD and THB during foreign exchange market hours, we will apply the fee that applies to THB (1%), not the fee for USD (0%).
