

# Revolut x TIDAL Promotion

## What is this Promotion about?

As part of the Revolut x TIDAL Promotion ("the Promotion"), Revolut is offering customers and potential customers of TIDAL in the United States the opportunity to sign up to Revolut for the first time (a "New Revolut Customer") and receive:

1. Three (3) months subscription to Revolut Premium plan, without being charged the monthly fee (the "Revolut Premium Trial");
2. Three (3) months of the TIDAL HiFi Plus subscription plan at no additional cost to current HiFi subscription (the "TIDAL Subscription Offer").

In order to receive the TIDAL Subscription Offer and the Revolut Premium Trial, you must sign up to Revolut through a unique link from TIDAL between **8 March 2023 00:00 UTC and 8 June 2023 00:00 UTC** (the "Promotion Period").

These terms (the "Promotion Terms") set out the rules that apply to this Promotion, and you must comply with these Promotion Terms and also the terms that apply to your Revolut Personal account at all times when participating in this Promotion.

**If you already have a TIDAL HiFi Plus subscription or Revolut Personal account you won't be eligible for this Promotion.**

**Revolut <18 accounts and Revolut Business accounts are not eligible for this Promotion.**

## What do I need to do to take part in the Promotion?

To be eligible for this Promotion, you must:

- Be 18 years or older and a resident of the United States (with a valid US residential address);
- Either receive marketing directly from TIDAL about this Promotion or see the Promotion marketed in TIDAL's app and/or on TIDAL's website and/or on their social media so you can follow the below steps to benefit from the Promotion (the "TIDAL Promotion Marketing") and,
- Be a New Revolut Customer.

You will also need to complete the following steps:

- Click on the unique link in the TIDAL Promotion Marketing - this link will redirect you to Revolut's website where you will need to provide your phone number. Once you have provided your phone number, you will be directed to the sign up flow for a Revolut Personal account;
- Follow the steps for opening a Revolut Personal account and complete our Know Your Customer ("KYC") checks;
- Be successfully onboarded to Revolut (this means you have to pass KYC) with no restrictions on your account before the end of the Promotion Period); and

- To activate the Promotion, you must use either your Revolut virtual or physical card to make at least one (1) qualifying transaction of \$1.00 USD or more using your new Revolut physical or virtual card before the end of the Promotion Period (each, a "Qualifying Transaction"). A Qualifying Transaction must be a genuine purchase, as set forth in the Qualifying Transactions section below. Don't worry - you don't need a physical card to make a payment: you can easily generate a virtual Revolut card in the app and use it for this purpose. It doesn't matter whether the Revolut transaction is with TIDAL or another merchant, as long as you make your one transaction of minimum \$1.00 USD before the end of the Promotion Period.

You must complete the above steps before the end of the Promotion Period in order to receive the Revolut Premium Trial and the TIDAL Subscription Offer.

## What terms apply to my new Revolut Account?

You may choose to sign up for any of Revolut's prepaid card plans, which are each subject to the Revolut [Cardholder Terms](#). If you elect a paid subscription plan, make sure you remember that our paid plans are all on 12-month terms whether you choose to pay monthly or annually. You can leave these paid plans early, but fees may apply if you do. See the "Fees for downgrading your Premium or Metal subscription" section of the [Premium and Metal Terms](#) for more information.

### **Ordering a card**

You can order a card directly in the app. In some cases, you may have to pay a card delivery fee. Please refer to the Fees page to see the fees associated with card delivery for each Revolut plan. Remember, you can use the virtual cards to qualify for this promotion.

## How do I start my Revolut Premium Trial?

In order to start your Revolut Premium Trial, you will need to upgrade your Revolut account to a Premium subscription plan within 72 hours of successfully opening your Revolut account (and after you have completed all other steps to participate in the Promotion). As long as you do so before the 72 hour cutoff, your Revolut Premium Trial will start when you upgrade.

You may choose to sign up for any of Revolut's prepaid card plans, which are each subject to the Revolut [Cardholder Terms](#). Just so you know, the terms and conditions for your Revolut Premium Trial subscription plan (see [Premium and Metal Terms](#)) will apply to you during your Revolut Premium Trial. We will not charge you the Premium monthly subscription fee for the period of time included in your Revolut Premium Trial. We'll tell you in the Promotion dashboard how long you'll receive your selected Premium subscription plan, without the monthly fee, so you're aware before you sign up.

You have the right to cancel your Premium subscription during the Revolut Premium Trial (your "Cooling-off Period"). Note that the Cooling-off Period will last for the duration of the Revolut Premium Trial and not any longer.

If you ordered a card during your Revolut Premium Trial period and then cancel your Premium subscription plan before the end or at the end of your Revolut Premium Trial period, you may be subject to cancellation or downgrade fees (this fee varies depending on where you live, but it will be shown in the Revolut App before you downgrade). If you ordered a second card or additional Revolut cards and you decide to cancel your Premium subscription within your

Cooling-off Period, you may also have to pay us back for the card delivery fees. Please refer to the [Fees page](#) to see the fees associated with card delivery.

After the Revolut Premium Trial ends, you will remain on a Premium Plan unless you tell us otherwise, and normal cancellation and billing rules will apply (see Revolut's [Premium and Metal Terms](#)). Our Premium plan has a 12 month term whether you choose to pay-monthly or pay-annually. Your Revolut Premium Trial period will not count towards the 12 month term. After the Revolut Premium Trial ends, we'll start taking payments for your Premium plan either monthly or yearly depending on what you agreed to when you signed up for the Premium plan.

You can also end your Premium subscription at any time after the Revolut Premium Trial.

However, you may have to pay fees if you do. See the "Fees for downgrading your Plus, Premium or Metal subscription" section of the [Premium and Metal Terms](#) for more information on the normal cancellation rules that apply once your Revolut Premium Trial ends.
