What terms apply to my new Revolut Account?

You may choose to sign up for any of Revolut's prepaid card plans, which are each subject to the Revolut [Cardholder Terms](#). If you elect a paid subscription plan, make sure you remember that our paid plans are all on 12-month terms whether you choose to pay monthly or annually. You can leave these paid plans early, but fees may apply if you do. See the "Fees for downgrading your Premium or Metal subscription" section of the [Premium and Metal Terms](#) for more information.

Ordering a card

You can order a card directly in the app. In some cases, you may have to pay a card delivery fee. Please refer to the Fees page to see the fees associated with card delivery for each Revolut plan. Remember, you can use the virtual cards to qualify for this promotion.

How do I start my Premium Trial?

In order to start your Revolut Premium Trial, you will need to upgrade your Revolut account to a Premium subscription plan within 72 hours of opening your Revolut account. As long as you do so before the 72 hour cutoff, your Revolut Premium Trial will start when you upgrade.

You may choose to sign up for any of Revolut's prepaid card plans, which are each subject to the Revolut [Cardholder Terms](#). Just so you know, the terms and conditions for your Premium subscription plan (see the [Premium and Metal Terms](#)) will apply to you during your Revolut Premium Trial. We will not charge you the Premium monthly subscription fee for the period of time included in your Revolut Premium Trial. We'll tell you in the Promotion dashboard how long you'll receive your selected Premium subscription plan, without being charged the monthly fee, so you're aware before you sign up.

You have the right to cancel your Premium subscription during the Revolut Premium Trial (your "Cooling-off Period"). Note that the Cooling-off Period will last for the duration of the Revolut Premium Trial and not any longer.

If you ordered a card during your Revolut Premium Trial period and then cancel your Premium subscription plan before the end or at the end of your Revolut Premium Trial period, you may be subject to cancellation or downgrade fees (this fee varies depending on where you live, but it will be shown in the Revolut App before you downgrade). If you ordered a second card or additional Revolut cards and you decide to cancel your Premium subscription within your Cooling-off Period, you may also have to pay us back for the card delivery fees. Please refer to the [Fees page](#) to see the fees associated with card delivery.

After the Revolut Premium Trial ends, you will remain on a Premium Plan unless you tell us otherwise, and normal cancellation and billing rules will apply (see [Premium and Metal Terms](#)). Our Premium plan has a 12 month term whether you choose to pay-monthly or pay-annually.

Your Revolut Premium Trial period will not count towards the 12 month term. After the Revolut Premium Trial ends, we'll start taking payments for your Premium plan either monthly or yearly depending on what you agreed to when you signed up for the Premium plan.

You can also end your Premium subscription at any time after the Revolut Premium Trial. However, you may have to pay fees if you do. See the "Fees for downgrading your Plus, Premium or Metal subscription" section of the [Premium and Metal Terms](#) for more information on the normal cancellation rules that apply once your Revolut Premium Trial ends.

How do I get my Sign Up Bonus?

You will need to meet the eligibility criteria and complete the steps outlined in “What do I need to do to take part in this Promotion?”, to receive the Sign Up Bonus.

The Sign Up Bonus is \$20 USD, deposited directly to your new Revolut account after the Qualifying Transaction Amount has been reached.

We will deposit the Sign Up Bonus to your Revolut personal account once you have made a Qualifying Transaction Amount of at least \$10.00 USD, with your physical or virtual Revolut card. To reach the Qualifying Transaction Amount and receive the Sign Up Bonus, you can either make one Qualifying Transaction of at least \$10 USD or make multiple Qualifying Transactions of smaller value, all of which cumulatively reach the total of \$10 USD or more.

To receive the Sign Up Bonus, you will need to reach or exceed the Qualifying Transaction Amount by making Qualifying Transactions with your Revolut card within 4 weeks of opening your Revolut personal account, even if the 4 week period expires after the end of the Promotion Period. This means your Revolut personal account must be successfully opened and before the end of the Promotion Period but it doesn't matter if you don't reach the Qualifying Transaction amount with your Revolut card until after the end of the Promotion Period; you'll still be able to receive your Sign Up Bonus as long as you meet the requirements before the 4 weeks cut off. Don't worry - you don't need a physical card to make the payments: you can easily generate a virtual card in the app and use it for this purpose. It doesn't matter whether your Revolut card payments on Qualifying Transactions are with UNiDAYS or another merchant. However, the payments must be a genuine purchase (for example, card transactions to payment service providers and money transfers are not valid).

We'll credit your account with the Sign Up Bonus within 7 days of you reaching the Qualifying Transaction Amount (subject to these Promotion Terms). If you believe that you are owed a Sign Up Bonus that you have not received, please reach out to us via in-app chat and we will perform an investigation promptly. If it is determined that the Sign Up Bonus is owed to you, we will credit any amounts due to you as soon as possible.

Once you receive the Sign Up Bonus, it can be used for any physical or virtual Revolut card payments.

Qualifying Transactions

If you meet the eligibility criteria and complete the steps outlined in “What do I need to do to take part in this Promotion?”, you must spend a minimum of \$10 USD with Qualifying Transactions with your Revolut physical or virtual card during the Promotion Period in order to redeem the Sign Up Bonus, as outlined above.

Qualifying Transactions exclude: ATM transactions, the purchase of money orders or other cash equivalents, gift cards, cash over portions of point-of-sale transactions, Peer-to-Peer (P2P) payments (such as Apple Pay Cash or Google Pay), currency exchange service providers, and loan payments or account funding made with your debit card are not eligible for this Promotion. In addition, purchases made using third-party payment accounts (services such as Venmo® and PayPal™, who also provide P2P payments), gambling, cryptocurrency purchases, and securities transactions (including stock purchases) are not eligible for this Promotion. If you make a Qualifying Transaction on your virtual or physical Revolut card within the Promotion Period but it is reverted or you seek a refund, the reverted transaction will no longer be deemed a Qualifying Transaction.
