

1. What is this Campaign about?

This Campaign allows you earn cashback in an amount equivalent to the exchange fees associated with buying and selling cryptocurrency through the Revolut Crypto feature for the duration of the Campaign Period (the "**Campaign**").

The total amount of cashback payable under this Campaign is capped at the amount of exchange fees you would incur by transacting in cryptocurrencies the following number of times:

- Standard customers - 3 transactions
- Premium customers - 5 transactions
- Metal customers - 10 transactions

The Campaign is governed by these terms and conditions (the "**Terms**").

2. Who is eligible for the Campaign?

Anyone who is a customer of Revolut Technologies Singapore Pte Ltd ("**Revolut**", "**we**", or "**us**") who has an active account (meaning it is not suspended or restricted), and who is legally residing in Singapore, is eligible for the Campaign.

This Campaign is limited to customers of Revolut Technologies Singapore Pte Ltd who meet the \$100 SGD minimum transaction requirement (please read the "How do I earn cashback" section for more information on how to earn the cashback reward).

Unfortunately, employees and contractors of Revolut and their immediate family members (spouses, parents, children, siblings and their respective spouses, regardless of where they live) or persons living in the same households are not eligible.

To remain eligible for the Campaign, you must follow these Terms at all times.

If you are disqualified from the Campaign, we will ask you to return any cashback you received as part of the Campaign within three days. If you do not, we may deduct it from your Revolut Account.

3. What is the duration of the Campaign

The Campaign is happening from 1 August 2022 GMT +8 until 31 August 2022 GMT +8 (the "**Campaign Period**").

4. How do I earn cashback?

To earn a cashback, you must:

- Top up your Revolut account; and
- Buy and/or sell \$100 SGD or more worth of cryptocurrency through the Revolut Crypto feature.

You must do all of these things during the Campaign Period.

For the avoidance of doubt, multiple cryptocurrency transactions that cumulatively amount to \$100 SGD or more will qualify for cashback under this Campaign.

The cashback earned under this Campaign is in addition to the regular cashback earned by Metal customers for spending with their Revolut card.

5. How much Cashback will I get?

The amount of cashback that you will get depends on the subscription plan you hold on the Cashback Payment Date (defined below), as set out below.

In particular:

- Standard customers are entitled to receive cashback in an amount equivalent to the exchange fees incurred for their first 3 transactions within the Campaign Period.
- Premium customers are entitled to receive cashback in an amount equivalent to the exchange fees incurred for their first 5 transactions within the Campaign Period.
- Metal customers are entitled to receive cashback in an amount equivalent to the exchange fees incurred for their first 10 transactions within the Campaign Period.

The "Cashback Payment Date" is the date upon which any cashback under this Campaign is paid to you. If you downgrade your plan at any time prior to the Cashback Payment Date, the cashback amount will be adjusted to reflect the cashback rate applicable to your new plan. If you earn a cashback, we will deposit the cashback into your Revolut Account within ten business days after the end of the Campaign Period.
