

[No Longer Running] Public Transport Cashback October 2022 Campaign

What is the Cashback Campaign about?

This campaign (the "**Campaign**") allows customers of Revolut in Singapore to receive a capped cashback of 20% on eligible public transport spending in Singapore (the "**Cashback**") during the Campaign Period if requirements are met.

The Campaign starts at 00:00 on 1 October 2022 (GMT+8) and ends on 31 October 2022 (GMT+8). The Campaign can be extended by us at any time but is currently scheduled to end on 31 October 2022 (the "**Campaign Period**").

The Campaign is governed by these terms and conditions (the "**Terms**"). The Terms govern the relationship between each participant in the Campaign ("**you**") and Revolut Technologies Singapore Pte. Ltd. ("**Revolut**", "**we**," "**our**" or "**us**").

You will be deemed to be participating in the Campaign if you do not reach out to us via in-app chat to inform us that you do not wish to participate in the Campaign within five business days of either receiving a Cashback or receiving the email from us notifying you of your Cashback (whichever earlier).

Who is eligible to participate in the Cashback Campaign?

In order to participate in the Campaign, you must:

1. be a user who uses Revolut for the first time from 1 Oct 2022;
2. have downloaded the Revolut app;
3. have set up an account with Revolut, successfully onboarded, and not had your account suspended or restricted; and
4. be currently legally residing in Singapore.

Employees and contractors of Revolut are not eligible to participate in the Cashback Campaign. We will determine eligibility at our discretion, and may disqualify participants if we discover you have breached these Terms or any other terms that apply to your account.

How do I participate in the Campaign?

To participate in the Campaign, you must:

1. top up your Revolut account with a minimum sum of S\$300 during the Campaign Period (by bank transfer from your own account and such account must match your given name or debit card top up). For the avoidance of doubt, credit card top ups are not eligible; **and**
2. use your Revolut card to make an Eligible Public Transport Transaction.

An eligible public transport transaction means any spending made directly on bus and mass rapid transit / MRT ("**Eligible Public Transport Transaction**"). These transactions must be genuine

public transport transactions and must not be reversed or refunded.

You must perform these actions yourself. You cannot allow third parties to use your Revolut card for an eligible public transport transaction.

If we suspect you have not met these criteria, or breached these Terms, we may ask you for further information to help us make this assessment.

How much cashback will I get?

Your cashback will be paid as a percentage as the amount you spend on public transport, capped at a maximum of SGD\$10 each month. The exact percentage you will earn depends on the method you used to top up your account that month, and the amount you topped up.

On and after 1 October, if you make a bank top up or debit card top up (credit card top ups not eligible) of SGD\$300 or more, you will receive 20% cashback on the amount you've spent on Eligible Public Transport Transactions.

You will not receive a cashback if you fail to top up at least S\$300 to your Revolut card during the Campaign Period.

The minimum amount of cashback that we can pay is SGD\$0.10. If the cashback you have earned is less than the minimum amount, you will not be paid a cashback.

We will contact all participants who have been awarded any cashback by email and deposit the cashback amounts into their Revolut Account within thirty (30) business days after the end of each month.
