Exchange

Whenever you make a currency exchange in the Revolut app, we'll use an exchange rate based on our market rate, which is based on foreign-exchange market rates. Standard customers enjoy no-fee FX transactions for the first S\$5,000, beyond which, any excess will incur a markup fee of 0.5%. There is more information about our exchange rate in our [Personal Terms](#). For certain conversions we apply an extra percentage-based fee (a mark-up), which may change according to when and how frequently the currencies are traded. These fees are set out below.

We charge a higher fee for currency exchanges outside London foreign exchange market hours because less currency is traded during these times. London foreign exchange market hours are all hours except midnight on Friday to midnight on Sunday in London.

Fees during London Foreign Exchange Market Hours for Standard Plan Customers:

- TBH and UAH: 1.0%
- USD, GBP, EUR, AUD, CAD, NZD, CHF, JPY, SEK, HKD, NOK, SGD, DKK, PLN and CZK: No fee
- Any other currency not listed above: No fee

Fees outside London Foreign Exchange Market Hours for Standard Plan Customers:

- TBH and UAH: 2.0%
- USD, GBP, EUR, AUD, CAD, NZD, CHF, JPY, SEK, HKD, NOK, SGD, DKK, PLN and CZK: 0.5%
- Any other currency not listed above: 1.0%

Note that the highest rate relevant to your conversion will apply. For example, for a conversion between USD and THB during London foreign exchange market hours, we will apply the mark-up that applies to THB (1%), not the mark-up for USD (0%).
