6. Verification of identity

6.1. You agree to cooperate with all requests made by us or any of our third party service providers on our behalf in connection with your Revolut Account, to identify or authenticate your identity or validate your funding sources or Revolut Transactions. This may include, but is not limited to, asking you for further information that will allow Revolut to reasonably identify you, including requiring you to take steps to confirm ownership of your phone number or payment instruments or verifying your Information against third party databases or through other sources.

6.2. We reserve the right to close, suspend, or limit access to your Revolut Electronic Money Account and/or the Revolut Services in the event we are unable to obtain, verify such Information or you do not comply with our requests under Clause 6.1 of these Terms.

6.3. We may confidentially verify the information you provide us with or obtain information on you ourselves or through third parties from secure databases. Some of the searches which we or a third party may perform, such as a credit check, may leave a soft footprint on your credit history. This will not affect your credit rating. By entering into these Terms, you confirm that you consent to us or a third party on our behalf carrying out such verifications.

6.4. You must ensure the information on your Revolut Account is always accurate and up to date. If at any time we believe that your information is outdated or inaccurate, we may contact you and request further information or request that you go through the verification process again. Your Revolut Transaction Limit will be adjusted accordingly while we verify your identity. We shall not be liable for any losses arising out of your failure to maintain up to date information.

7. Top-ups to your Revolut Electronic Money Account

7.1. In order to top-up the Electronic Money in your Revolut Electronic Money Account, you will need to perform a top-up via any method we make available to you from time to time.

7.2. We may, at our reasonable discretion (for example, without limitation, to limit fraud or credit risk), impose limits on the amount of money you can receive through Revolut Services. In order to increase your receiving limit, you must provide us with any supplemental information we request. If you have a top-up limit on your Revolut Electronic Money Account, you may be able to view it by logging onto your Revolut Dashboard and accessing the Profile section.

Top-ups via Stored Card

7.3. In order to top-up via a Stored Card, you will need to add the details of the Stored Card onto your Revolut Dashboard. You may only add details of your Stored Cards to your Revolut Dashboard if you are the named holder of Stored Card. The purchase of Electronic Money via Stored Card will be for the amount and the currency defined by you.

7.4. You have the option of using the automatic top-up function. You can set up or cancel this function at any time using the Revolut Dashboard. The automatic top-up function allows you to automatically top-up your Revolut Electronic Money Account if the balance of your Revolut Electronic Money Account drops below a certain amount, which you set on the Revolut Dashboard. The top-up will use the Stored Card you choose, when you enable the automatic top-up function. Please make sure that there is enough money for the top-up in the account your Stored Card is linked to.

7.5 We reserve the right to charge you a fee for Stored Card top-ups. This amount will be displayed in-app at the time of the transaction; you will have the opportunity to review the fee before confirming the transaction.

Top-Ups via User Bank Transfer and Third Party Bank Transfer

7.6 Where available on the Revolut Dashboard, you may also fund your Revolut Electronic Money Account by entering into a User Bank Transfer or a Third Party Bank Transfer.

7.7 In connection with Clause 7.5 above, upon our receipt of the amount sent via User Bank Transfer (either performed within or outside of the Revolut Dashboard) or a Third Party Bank Transfer, we will issue the corresponding value of Electronic Money to your Revolut Electronic Money Account. The details of the bank account (belonging to Revolut) to send the money to will be set out on the Revolut Dashboard. Please take care (or ask the third party making a Third Party Bank Transfer to take care) to enter the correct bank account details when performing the User Bank Transfer or Third Party Bank Transfer, to make sure the money reaches us. If we receive your money in a currency other than the currency you indicated to us when we provided you with the bank account details, then we will not be liable for any losses that you incur if our bank performs a currency conversion to change the money received into the currency of our bank account to which the money was sent.

7.8 We are required by the Payment Services Act to impose an Electronic Money stock cap on your daily Electronic Money balance. This means that your electronic money balance must not exceed S\$ 5,000 or foreign currency equivalent at the end of the day. If you have set up your External Account, you may, by way of top-up or other means, exceed this limit during the day, as the excess will be transferred out to the External Account between 23:30 and 23:59 SGT daily. Any conversion to SGD will be conducted using the Exchange Rate (para 16.1) as at time of the transfer. The transfer will first be made from the SGD pocket, followed by other currency pocket(s). Users may suffer foreign exchange losses should the transfer need to be made from a non-SGD pocket.

7.9 If you do not set up your External Account, the amount of electronic money you can hold at any given time is restricted to S\$ 4,800 or foreign currency equivalent. If for any reason your electronic money balance is larger than the allowable limit, you will not be able to top-up or receive incoming transfers until you have set up your External Account or reduced your balance to below S\$ 4,800.

8.3. Revolut may refuse to enter into a Revolut Transaction with you at any time and for any reason.

8.4. Revolut provides virtual receipts for successful Revolut Transactions (including Instant Transfer and Bank Transfer transactions) undertaken by you. These transactions are also accessible on the Revolut Dashboard and are available via email. In addition to virtual receipts, merchants should provide you with receipts when you enter into a Revolut Card Purchase. Revolut will not and is under no obligation to provide you with a physical receipt or other written confirmation in connection with any Revolut Transaction.

9. Exchange Electronic Money

9.1. You can exchange Electronic Money in your Revolut Electronic Money Account to Electronic Money in another currency by using the exchange function on the Revolut Dashboard. The currencies of Electronic Money which you are able to purchase and store in your Revolut Electronic Money Account are limited to those set out on the Revolut Dashboard and are subject to change from time to time without us being required to provide you with notice.

9.2. You will be informed, on the Revolut Dashboard, prior to sending your request to enter into the Electronic Money Exchange, of:

1. the amount of Electronic Money you will use to purchase the amount of Electronic Money in your required currency;
2. the amount and currency of the Electronic Money you wish to purchase; and

3. the exchange rate of the Electronic Money Exchange.

In order to submit the request to enter into the Electronic Money Exchange, you will need to confirm the details which have been entered by hitting the exchange button on the relevant part of the Revolut Dashboard. By entering into these Terms, you accept sole responsibility for entering into the Electronic Money Exchange. Revolut will not be responsible for any losses you incur as a result of you using this function.

9.4. The request to enter into an Electronic Money Exchange will be accepted when we confirm to you that the Electronic Money Exchange has been entered into, on the Revolut Dashboard.

9.5. The amount of Electronic Money you can exchange at the interbank rate is limited. Please refer to the [Fees Pages](#) for more information on the interbank rate. It is your responsibility to stay informed of any changes to the limits and fees applied to any exchanges at the interbank rate.

10. Instant transfer

10.1. You can send money to, and receive money from, other Revolut accounts. We call these sort of payments Instant Transfers. You can make an Instant Transfer to another Revolut user's account by choosing them as a recipient from the contacts list in the Revolut app and following the prompts. The recipient Revolut user will receive the transfer immediately.

10.2. Where applicable, you will need to enter the Counterparty's details requested on the Revolut Dashboard (the 'unique identifier') in order to request entry into an Instant Transfer. It is your responsibility to make sure that the Counterparty's unique identifier is entered correctly. Any error may result in the Instant Transfer being unsuccessful or delayed. We shall not be liable for any losses you incur from entering an incorrect unique identifier.

10.3. If the Counterparty is already a Revolut User, you will be informed on the Revolut Dashboard, prior to confirming your request to enter into the Instant Transfer, of:

1. the Counterparty's name;
2. the amount and currency of Electronic Money you wish to send to the Counterparty; and
3. the fees for the Instant Transfer (if any).

10.4. In order to submit the request to enter into the Instant Transfer, you will need to confirm the details which have been entered by hitting the button entitled "Send" on the relevant part of the Revolut Dashboard. Once you have provided confirmation (provided the Counterparty is a Revolut User), then at this time we will have been deemed to have received your request to enter into the Instant Transfer.

10.5. If the Counterparty is not a Revolut User, then the request to enter into an Instant Transfer shall be pending for 24 hours (excluding weekends and public holidays in Singapore). The request to enter into the Instant Transfer will not be deemed as received until the Counterparty is approved as a Revolut User, within the 24 hours (excluding weekends and public holidays in Singapore) that the Instant Transfer is pending. The Counterparty will receive an SMS with instructions on how to open a Revolut Account. You authorise Revolut to send an SMS to the Counterparty on your behalf. If the Counterparty does not sign-up to Revolut within 24 hours of the SMS being sent to them, then the pending Instant Transfer will be terminated.

10.6. If the Counterparty is not a Revolut User then:

1. the request to enter into the Instant Transfer will be pending and will not be deemed to have been received by us until the non-Revolut User has been accepted as a Revolut User;

2. the Instant Transfer should be completed at the latest by the end of the Business Day following the day upon which the Counterparty becomes a Revolut User, provided the Counterparty becomes a Revolut User before the pending Instant Transfer lapses.

10.7. Once your Electronic Money has been sent, you will be able to view the completed Instant Transfer on the Revolut Transaction History part of the Revolut Dashboard.

10.8. As required by the Payment Services Act, we impose an Electronic Money flow cap (S\$ 30,000 or foreign currency equivalent) on a rolling 365 days basis on all your outbound electronic money transactions (including transfers), except:

1. Domestic transfers to a personal deposit account held in your own name, including transfers to your External Account (designated personal deposit account);
2. Domestic transfers to another person's personal deposit account; and
3. Cross-border transfers to a personal deposit account held in your own name.

Group Vaults

10.9. A group vault is an account set up and controlled by an individual Revolut user. All members of a group vault can send Instant Transfers to the vault, view vault transactions and exit the vault at any time.

10.10. Only the Revolut user who established the group vault (the owner) can take money out of it, close it, and add or remove members of the group vault. However, the owner of the group vault can grant withdrawal rights to any member of the group vault. You should only join a group vault, or send money to a group vault, if you trust the owner.

10.11. We are required by the Payment Services Act to impose an Electronic Money stock cap on your daily Electronic Money balance. This means that the Electronic Money balance in your Revolut account, including funds in vaults, must not exceed S\$ 5,000 (or foreign currency equivalent) at the end of the day. If you have set up your External Account, you may, by way of top-up or receipt of Electronic Money from another Revolut user, exceed this limit during the day, as the excess will be transferred out to your External Account between 23:30 and 23:59 SGT daily. Any conversion to SGD will be conducted using the Exchange Rate (para 15.1) as at time of the transfer. The transfer will first be made from the SGD pocket, followed by other currency pocket(s). Users may suffer foreign exchange losses should the transfer need to be made from a non-SGD pocket.

10.12. If you do not set up your External Account, the amount of Electronic Money you can hold at any given time is restricted to S\$4,800 (or foreign currency equivalent). If, for any reason, your Electronic Money balance exceeds this amount, you will not be able to top-up or receive incoming transfers until you have set up your External Account or reduced your balance to below S\$4,800.

11. Revolut bank transfer and monetary exchange

11.1. You can make a request to enter into a Revolut Bank Transfer by logging onto the Revolut Dashboard and following the on-screen instructions. You will need to enter the Counterparty Bank Account details. It is your responsibility to make sure that the details of the Counterparty and the Counterparty Bank Account (the 'unique identifiers') are entered correctly. Any error in information may result in the Revolut Bank Transfer being unsuccessful or delayed. We shall not be liable for any losses you incur from entering incorrect Counterparty Bank Account details.

11.2. You will be informed on the Revolut Dashboard, prior to confirming your request to enter into the Revolut Bank Transfer, of:

1. the details of the Counterparty Bank Account;
2. the amount and currency of money you wish to send to the Counterparty; and
3. the fees for the Revolut Bank Transfer (if any).

11.3. In order to submit the request to enter into the Revolut Bank Transfer, you will need to confirm the details which have been entered by hitting the 'tick' button on the relevant part of the Revolut Dashboard.

11.4. The request to enter into the Revolut Bank Transfer or a Revolut Bank Transfer via recurring payments shall be deemed to be received at the time at which you provide your confirmation except that where the request to enter into a Revolut Bank Transfer would otherwise be deemed to be received on a day which is not a Business Day or is received after 4.00 pm, Singapore Time on a Business Day, we have the right to treat the request to enter into the Revolut Bank Transfer as having been received on the next Business Day.

11.5. Where the Payment is denominated in SGD, or a currency other than SGD, we shall endeavour to ensure that we action the Revolut Bank Transfer as soon as is reasonably practicable, and in any event, within 3 Business Days for domestic bank transfers and 7 Business Days for cross border bank transfers.

11.6. If the currency of the Counterparty Bank Account (in accordance with the information provided by you on the Revolut Dashboard) is different to the currency of the Electronic Money you are using to enter into the Revolut Bank Transfer, then as part of the Revolut Bank Transfer we shall perform a Monetary Exchange to the appropriate currency prior to sending the money to the Counterparty Bank Account. In this event, you will be informed of the Exchange Rate for the Monetary Exchange prior to confirming the Revolut Bank Transfer.

11.7. You may revoke your request to enter into the Revolut Bank Transfer at any time prior to the end of the Business Day prior to the date upon which the Revolut Bank Transfer is due to take place.

11.8. Where applicable, you may revoke your request to enter into a recurring payment via Revolut Bank Transfer at any time prior to the end of the Business Day prior to the date upon which the Revolut Bank Transfer recurring payment is due to take place.

11.9. Once the Revolut Bank Transfer has been completed, you will be able to view the completed Revolut Bank Transfer on the Revolut Transaction History part of the Revolut Dashboard.

11.10. If, for whatever reason, the funds are not deposited in the Counterparty Bank Account and are returned to Revolut, they will be converted into the currency of the Electronic Money they were originally withdrawn from. Due to the difference in price for purchasing and selling currencies and/or fluctuations in currency exchange rates, the amount of Electronic Money you receive back into your Revolut Electronic Money Account may be more or less than what was originally redeemed to perform the Revolut Bank Transfer. Revolut is not liable for any losses you incur in this respect.

11.11. Some Counterparties accept payment by setting recurring payments to be deducted from your Revolut Electronic Money Account on a regular basis. The amount of the recurring payment and the intervals at which the payments will be deducted is determined by the arrangement between you and the relevant Counterparties and their terms and conditions will

apply. If you wish to amend or cancel your recurring payment, you may only do this by contacting the Counterparties directly.

11.12. As required by the Payment Services Act, we impose an Electronic Money flow cap (S\$ 30,000 or foreign currency equivalent) on a rolling 365 days basis on all your outbound electronic money transactions (including bank transfers), except:

1. Domestic transfers to a personal deposit account held in your own name, including transfers to your External Account (designated personal deposit account);
2. Domestic transfers to another person's personal deposit account; and
3. Cross-border transfers to a personal deposit account held in your own name.

12. ATM withdrawal and monetary exchange

12.1. You can use your Physical Revolut Card to withdraw cash internationally from an ATM in countries outside of Singapore. In such an event we will redeem Electronic Money in your Revolut Electronic Money Account and you will be provided with the equivalent amount of cash. You will need to follow the instructions on the ATM machine to perform the ATM Withdrawal. This may involve entering your Card PIN.

12.2. We do not charge for ATM Withdrawals up to the threshold set out in the Fees Pages. If you withdraw more than the threshold, then each ATM Withdrawal will be subject to the fee set out in the Fees Pages. This threshold is higher for Premium Users than for Standard Users.

12.3. If you choose to withdraw cash in a currency other than the currency for which you hold enough Electronic Money in your Revolut Electronic Money Account, then our Exchange Rate will be used.

12.4. If you choose to withdraw cash using the currency conversion offered by the ATM owner, Revolut has no liability to you for that currency conversion. You can find more information on this at [here](#). Please note that the ATM provider may, in addition charge its own fee for ATM Withdrawals which we have no control over or liability for.

12.5. As required by the Payment Services Act, we impose an Electronic Money flow cap (S\$ 30,000 or foreign currency equivalent) on a rolling 365 days basis on all your outbound Electronic Money transactions (including ATM withdrawals), except:

1. Domestic transfers to a personal deposit account held in your own name, including transfers to your External Account (designated personal deposit account);
2. Domestic transfers to another person's personal deposit account; and
3. Cross-border transfers to a personal deposit account held in your own name.

13. Revolut card purchase and monetary exchange

13.1. You can use your Revolut Card to purchase goods and/or services from a merchant either online or at a point of sale terminal anywhere that accepts the Revolut Card. In such an event we will redeem Electronic Money in your Revolut Electronic Money Account and the merchant will be sent, less any fees from Revolut (acting as Card Issuer), the equivalent amount of money. You will need to follow the instructions on the relevant website or point of sale machine to perform the Revolut Card Purchase. This may involve you entering the details of Revolut Card (the card number, expiry date and CVC number) or your Card PIN.

13.2. If you choose to be charged for your purchase in a currency other than the currency for which you hold enough Electronic Money in your Revolut Electronic Money Account, then our Exchange Rate will be used.

13.3. Where a currency conversion is offered to you by the merchant and you choose to authorise the payment transaction on the basis of the merchant's exchange rate and charges, Revolut has no liability to you for that currency conversion. You can find more information on this here.

13.4. As required by the Payment Services Act, we impose an electronic money flow cap (S\$ 30,000 or foreign currency equivalent) on a rolling 365 days basis on all your outbound electronic money transactions (including card purchases), except:

1. Domestic transfers to a personal deposit account held in your own name, including transfers to your External Account (designated personal deposit account);
2. Domestic transfers to another person's personal deposit account; and
3. Cross-border transfers to a personal deposit account held in your own name.

14. Receive Electronic Money

14.1. If you receive Electronic Money into your Revolut Electronic Money Account, we will send a notification to the Revolut Dashboard and display the payment in your Revolut Transaction History.

14.2. You can request a payment from another Revolut User by using the "Request Money" function or the "Split Bill" function or other functions made available to you from time to time on the Revolut Dashboard. You should only use this function for amounts owed to you and that are due for payment in full. This service may not be used as a debt collection or enforcement tool.

14.3. We are required by the Payment Services Act to impose an Electronic Money stock cap on your daily Electronic Money balance. This means that your Electronic Money balance must not exceed S\$5,000 (or foreign currency equivalent) at the end of the day. If you have set up your External Account, you may, by way of top-up or receipt of Electronic Money from another Revolut user, exceed this limit during the day, as the excess will be transferred out to the External Account between 23:30 and 23:59 SGT daily. Any conversion to SGD will be conducted using the Exchange Rate (para 16.1) as at time of the transfer. The transfer will first be made from the SGD pocket, followed by other currency pocket(s). Users may suffer foreign exchange losses should the transfer need to be made from a non-SGD pocket.

14.4. If you do not set up your External Account, the amount of Electronic Money you can hold at any given time is restricted to S\$4,800 or foreign currency equivalent. If for any reason your Electronic Money balance is larger than the allowable limit, you will not be able to top-up or receive incoming transfers until you have set up your External Account or reduced your balance below S\$4,800.

15. Exchange rates

15.1. The exchange rate we use is set out in our [Fees Page](#). You can always see our live exchange rate in the Revolut app.

15.2. All users can make a set amount of exchanges at this rate every month. The set amount depends on what your base currency and plan are, and is set out on our Fees Page. Users who

exchange more than this amount start paying a fair usage fee.

15.3 Once we've converted a currency, your transaction history in the Revolut app will show the exchange rate we used too.

15.4 The exchange rate may change between the time you told us you wanted to exchange currency and the time we actually carry out the conversion. This means that if you ask us to exchange currency, you may receive a little more or less back than what you had expected.

15.5 We're not responsible if you lose any money as a result of a currency exchange.

15.6 We're not responsible if you're charged any fees or a different rate by someone else for a currency conversion either. This is because we don't charge those fees or set that different rate. For example, imagine you're travelling overseas and when you pay your bill at a restaurant you agree (on the card machine) to pay in your home currency instead of the local currency of the restaurant. When you do, you're asking the restaurant (or their bank) to convert the currency for you, and they may charge a fee or use a different rate.

16. Your balance and negative balances

16.1. You acknowledge that balances and available funds reported on the Revolut Dashboard are only approximate real time balances rather than the settled balances in your Revolut Electronic Money Account. A real time balance may not take into account pending debits and credits. Revolut will provide you with information on pending debits and credits as soon as it has that information.

16.2. If for any reason (including, but not limited to, any technical errors on our behalf or on behalf of our third-party providers) you have a negative balance in your Revolut Electronic Money Account, you agree to immediately Top-Up the required amount to correct the negative balance, such amounts being due without the need for previous notification. If you fail to do so:

1. we may exercise our right of set-off in accordance with Clause 21 (Our Right to Set-Off) of these Terms;
2. initiate a chargeback procedure for any specific transaction which led to your Revolut Electronic Money Account having a negative balance;
3. take debt collection measures including but not limited to mandating a debt collection agency or solicitors or to pursue the claim in court. We reserve the right to charge you the expenses we reasonably incur in connection with any debt collection or enforcement efforts;
4. if Revolut requests that you complete a Top-Up in order to correct a negative balance and you fail to do so within 7 Business Days, where applicable, you authorise us to initiate a payment transaction for the amount of the negative balance (or the equivalent in another currency) from one of your Stored Cards or User Bank Accounts (as applicable).

17. Security

17.1. We would like to draw your attention to paragraph 3 of the e-Payments User Protection Guidelines issued by the MAS ("User Protection Guidelines"). You have an important role to play to ensure that your Revolut Account is protected from unauthorised access and use by practising good security hygiene.

17.2. You must ensure that you take all reasonable steps to:

1. ensure that your Mobile and your Mobile PIN is kept safe and secure;

2. ensure that access to the Revolut Dashboard is kept safe and secure; and

For the avoidance of doubt, this includes if one of the currency balances in your Revolut Electronic Money Account shows that you owe us an amount of funds for any reason or has a negative balance, Revolut may set-off the amount you owe us by using funds you maintain in that currency or in a different currency balance or by deducting amounts you owe us from money you receive into your Revolut Electronic Money Account, or money you attempt to withdraw or send from your Revolut Electronic Money Account, or in a different Revolut Electronic Money Account which you control and by deducting funds from any withdrawals you attempt to make.

23.2. We shall not be liable for non-execution or defective execution in relation to an Instant Transfer or Revolut Bank Transfer we have made in accordance with a unique identifier given to us by you which proves to be incorrect. However, we shall make reasonable efforts to recover funds involved in that transaction and may charge you for doing so, including passing on to you charges made by intermediary banks and/or the payee's bank for their assistance in the tracing process.

23.3. We are not liable to you for the correct execution of an Instant Transfer, a Revolut Bank Transfer, an ATM Withdrawal or a Revolut Card Purchase, if we can prove to you (and where relevant, to any payee's payment services provider) that the payee's payment services provider received the payment within the appropriate time period. We will however, upon your request, make efforts to trace any non-executed or defectively executed payment transactions or any Revolut Bank Transfers which were correctly executed to an account which is deemed fraudulent and notify you of any outcome involving our investigation.

23.4. Please note that any restriction on your liability in relation to an unauthorised or incorrectly executed payment transaction does not apply to losses arising from and/or in relation to Electronic Money Exchanges or Monetary Exchanges.

You are responsible for all liabilities, financial or otherwise, incurred by Revolut (acting as Card Issuer), Revolut, a Revolut User, or a third party caused by or arising out of your breach of these Terms, your use of the Revolut Services, and any use of your Revolut Account. You agree to reimburse Revolut (acting as Card Issuer), Revolut, a Revolut User, or a third party for any and all such liability, to the extent not prohibited by applicable law.

23.8. You remain liable under these Terms in respect of all charges and other amounts incurred through the use of your Revolut Account at any time, irrespective of termination, suspension or closure.

23.9. You alone are responsible for understanding and complying with any and all laws, rules and regulations of your specific jurisdiction that may be applicable to you in connection with your use of the Revolut Services, including but not limited to, those related to export or import activity, taxes or foreign currency transactions. You are liable to the state and other subjects for fulfilment of all tax obligations independently. 23.14. To the extent permitted by applicable law, Revolut is not liable, and you agree not to hold it responsible, for any damages or losses (including, but not limited to, loss of money, goodwill, or reputation, profits, or other intangible losses or any special, indirect, or consequential damages) resulting directly or indirectly from:

You accept that after your Revolut Account has been closed, Revolut will store personal data about you and your Revolut Transactions for a period of five years.

25.2. If your Revolut Electronic Money Account holds a balance at the time of its closure, we may ask you to withdraw your funds within a reasonable period of time, during which your Revolut Electronic Money Account will be accessible for the purpose of withdrawing the remaining balance only.
