What is an Eligible Transaction?

For the purpose of the Campaign, an “**Eligible Transaction**” is a physical or virtual Revolut Card transaction.

For the avoidance of doubt, a Revolut Card transaction means you use your Revolut physical or virtual card to purchase genuine goods and/or services from a third-party merchant by entering the details of your Revolut physical or virtual card into their payment processing system. The transfers or exchange of funds, or the purchase of precious metals are examples of transactions which do not qualify as Revolut Card transactions.

Revolut Card transactions must be genuine purchases – Payments to e-wallets, gambling, payment providers, financial services, prepaid cards, or gift cards aren't valid. Other transactions with businesses that we consider inappropriate in light of the purpose of the Campaign are also not eligible. Non qualifying Merchant is a merchant whose merchant category code designation is listed in Appendix below.

What other legal information should I know?

1. We may, at our sole discretion, suspend, terminate or change the Campaign or change these terms and conditions in whole or in part without prior notice.
2. Events beyond the control of or not attributable to Revolut may occur that render the awarding of the cashback impossible. Accordingly, Revolut will not be liable for any loss, whether directly or indirectly suffered, as a result of an event outside of its control.
3. If you close your Revolut account or your account becomes suspended or closed before you receive the reimbursement under the Campaign, then you will no longer be entitled to receive the prize.
4. The winner's announcement will be made through the email notification. Please note that Grand Prize winners must complete the required procedures within 12 hours of receiving the winner notification email. Failure to do so may result in

disqualification. Prizes for 1st place are notified by email around 5 May 2026.
Prizes for 2nd and 3rd place are scheduled to be dispatched around 31 Mar 2026.

5. If the transaction is carried out in a foreign currency, the transaction amount is calculated by converting it into Japanese yen based on the exchange rate prescribed by us (closing FX rate of the previous day).
6. If you conduct fraudulent or malicious activities in respect of the Campaign or you breach these terms and conditions or other terms and conditions applicable to your Revolut account, or if we reasonably suspect either of the above, we may, at our sole discretion, take appropriate action (including restricting or closing your account or voiding your rewards).
