What is this Promotion about?

- **What:** Get a 40% discount on the monthly Titan subscription fee, applied for the first 3 months of your Titan subscription (the **Offer**).
- **Who:** Selected Revolut Business customers based in the United Kingdom (the **UK**) and complete the Required Step set out below**.**
- **When:** This promotion will run for the period specified in-app (the **Promotion Period**). You must complete the Required Step before the end of the Promotion Period.

These **Promotion Terms** set out the rules that apply to this promotion. You must comply with these terms, the Titan Terms and the Business Terms that apply to your Revolut Business account at all times to participate in this promotion.

Eligibility and Required Step

To be eligible for this Offer, you **must**:

- have a registered address in the UK,
- have been successfully onboarded as a Revolut Business customer (this means you must have passed our Know Your Business checks and have no restrictions on your account), and
- have been selected by us and invited to take part in this promotion (e.g. in-app).

The only **Required Step** is to subscribe to Titan during the Promotion Period. You can start the Offer by following the instructions in the in-app Plans dashboard. You can see the duration of the Discounted Fee Period in the Plans dashboard before you sign up to the promotion. You will also be able to view the Discounted Fee Period in the Plans dashboard section of the app after you have signed up.
All new Titan User sign-ups on your Revolut Business account during the Promotion Period are eligible for this Offer, provided you meet the eligibility criteria above.

How does the Offer work?

The Titan terms and conditions (the "Titan Terms") apply during the Discounted Fee Period, when we will charge you the Discounted Fee for each Titan seat you subscribe to during the Promotion Period. You can see your Discounted Fee in the Plans dashboard of the app. Your Titan benefits, including any RevPoints and third-party benefits, are not affected by this promotion.

If you pay monthly, you will pay the Discounted Fee for the Discounted Fee Period and the standard fee after that. If you pay annually, you will pay the Discounted Fee for the first 3 months and the standard fee after that. When the Discounted Fee Period ends, you will stay on Titan unless you cancel, and the normal cancellation and billing rules in the Titan Terms will apply.

Fees for ending or downgrading your Titan subscription

You can end your Titan subscription at any time, including during the Discounted Fee Period (we call this a downgrade). However, you may have to pay a fee. The fees for ending or downgrading your subscription are set out below. The fees depend upon when you downgrade your subscription. Your Discounted Fee Period counts towards the calculation of this time.

If you downgrade within 14 days

A full refund will be given for your subscription. If we send a Titan card to you, we'll charge a break fee for the card .

If you downgrade after 14 days but within 6 months

If you pay your subscription in monthly installments, we won't make any refund. You'll have to pay the subscription for the month in which you tell us you'd like to end or downgrade your subscription. You will also be charged for an additional month as a break fee. This is a break fee and you will not be able to benefit from the services for an additional month (you'll only be able to continue using your subscription for the rest of the monthly billing cycle that you've paid for). If you ordered a Titan card, we will not charge you for the card or any delivery fee.
If you pay the full subscription once a year, we won't refund any of the full year's subscription you paid, but we won't charge a break fee, a fee for the Titan card or the delivery fee. You'll also be able to continue using your subscription for the rest of the annual billing cycle that you've paid for.

If you downgrade after more than 6 months

If you pay your subscription in monthly installments, you'll have to pay the subscription for the month in which you tell us you'd like to end or downgrade your subscription, but we won't charge a break fee. You'll also be able to continue using your subscription for the rest of the monthly billing cycle that you've paid for.

If you pay the full subscription once a year, we won't refund any of the full year's subscription you paid, but we won't charge a break fee. You'll also be able to continue using your subscription for the rest of the annual billing cycle that you've paid for.
