

What is the Promotion about?

Revolut Securities Europe UAB ("**Revolut**", "**we**", "**us**" or "**our**") is offering customers residing in the European Economic Area (the "**EEA**") the opportunity to receive 1 year's worth of Revolut Trading Pro services with no subscription fee (the "**Promotion**").

These terms set out the rules that apply to the Promotion (the "**Promotion Terms**"). When participating in this Promotion, you must comply with these Promotion Terms, as well as:

- the [Trading Pro Terms](#) that apply to our Trading Pro services; and
- the [Revolut Trading Terms](#).

If a word or phrase is not defined in these Promotion Terms, it will have the meaning given to it in the Trading Pro Terms or Revolut Trading Terms.

The Promotion will run from 15:00 UTC on 18 November 2024 until 23:59 UTC on 29 November 2024 (the "**Promotion Period**"). We may wish to extend the Promotion Period by amending these Promotion Terms.

To take part in this Promotion, you must meet the Eligibility Criteria and complete the Required Steps set out in these Promotion Terms during the Promotion Period.

Who is eligible for this Promotion?

To be considered an "**Eligible Participant**" for this Promotion you must meet the following "**Eligibility Criteria**":

- you have a residential address in the EEA;
- you have not opened an investment account with us or have an investment account but have not yet submitted any orders or entered into any transactions prior to the start of the Promotion Period (having an investment account with us does not eliminate you from the Promotion);
- you are not currently subscribing or have ever subscribed to our Trading Pro services prior to the start of the Promotion Period;
- you are not currently a Revolut Ultra plan user (if you are a Revolut Ultra user and have opened an investment account with us, you can enable and use Trading Pro free of charge during the Ultra plan subscription period); and
- either receive marketing directly from us via email/push notification about this Promotion or see the Promotion marketed in the Revolut app (either in-app banner or in-app inbox message) (the "**Promotional Material**") so you can follow

the below steps to benefit from the Promotion. You will only receive marketing from us if you have already provided your personal data to us and are happy for Revolut to send marketing to you.

You will also need to complete the **"Required Steps"** before the end of the Promotion Period:

- click on the unique Promotion link in the email/push notification, in-app banner and/or in-app inbox message and follow the steps to open an investment account with us (if you don't already have one) and to enable Trading Pro (opening of investment account with us is mandatory to use Trading Pro services and participate in the Promotion);
- deposit a minimum amount of EUR/USD 3,000 into your investment account.

You must use the Promotion unique link provided as part of this Promotion to sign up for Trading Pro services. If you sign up using the normal investment account opening process in our app, you will not be able to take part in this Promotion.

If you use the Trading Pro services without following the requirements set out in these Promotion Terms (for instance, subscribing to our Trading Pro services without clicking on the unique Promotion link), you will not be eligible for this Promotion.

How do I start my 1 Year Free Access?

If you meet the Eligibility Criteria and complete the Required Steps indicated in the section "Who is eligible for this Promotion?" of these Promotion Terms, we will waive our Trading Pro subscription fee during the 1 year **"Free Access Period"**. Your Free Access Period will start after you have completed the Required Steps indicated above.

For the avoidance of doubt, the Trading Pro subscription includes a 30-day free trial, which begins immediately upon activating Trading Pro services. After this trial, an additional 11 months of free access to Trading Pro services will be added as part of the Promotion, making the total Free Access Period 1 year (subject to minor variations due to calendar month lengths).

After your Free Access Period ends, you will remain subscribed to our Trading Pro services, unless you tell us otherwise, and standard subscription fee of EUR 15 per month (or equivalent in another currency depending on your location) will automatically apply. You can find further details on Trading Pro subscription in the [Trading Pro Terms](#) (please see the **"Information about your subscription"** section for more information).

We will not inform you about the ending of your Free Access Period.

If you do not wish to receive Trading Pro services during, or after the end of, your Free Access Period, you will be able to cancel your Trading Pro subscription via the Revolut

app before the last day of your Free Access Period.

You understand that other fees in relation to Trading Pro services that are not charged or controlled by us may apply.
