What is the campaign about?

The Summer Travel Cashback Campaign (the "**Campaign**") offers the opportunity to receive, as a reward, 10% of cashback on Revolut card payments made outside of Japan to customers who pay with Revolut card at physical merchants outside of Japan during the Campaign Period. The Campaign runs from 20 July 2023 to 31 Aug 2023 (Japan Time) (the "**Campaign Period**").

Who is eligible for the campaign?

You can take part in the Campaign if you (i) are a user of Revolut app provided by Revolut Technologies Japan, Inc. and (ii) spend with Revolut card outside of Japan at physical merchants during the Campaign Period.

The Campaign does not apply to payments made within Japan or any online purchases.

How much do I get?

You will earn 10% cashback on the total amount spent outside of Japan during the Campaign Period. The cashback amount per customer will be capped at JPY 1,000, JPY 2,500 or JPY 4,000 for Standard, Premium, and Metal plan users, respectively. If you downgrade your plan before receiving your cashback, your cap will be set to your downgraded plan. Minimum cashback of ¥100 applies i.e. minimum card spend of ¥1,000.

How do I get cashback?

We will add the cashback amount to your Revolut account in mid-October.

How is the cashback amount calculated for non-JPY payments?

If you make non-JPY payments, we will, at our sole discretion, determine the prevailing exchange rate on the relevant payment day and convert the paid amount into JPY. A cashback amount is calculated based on such JPY amounts as converted.
