## Eligibility and Required Steps

To be eligible for this promotion, you **must**:

- have a registered address in the UK,
- have an active, unrestricted and unsanctioned Revolut Personal account,
- be at least 18 years old, and
- have received an email or push notification inviting you to participate in this promotion (the **Promotion Invitation**).

The **Required Steps** are:

1. All eligible customers who have received the Promotion Invitation will receive one entry automatically.

To receive up to two additional entries:

- Have up to date information on your account, if you already updated your information recently you might not need to update the information, and/or
- Be a salaried customer and/or switch to Revolut using the Current Account Switch Service (**CASS**).

**You will receive one entry for each point above.**

**What do we consider as up to date information?**

Customers who are required to provide additional information will have a banner in-app requesting them to submit their details. If you have done this previously or if you are a customer of Revolut Bank UK Ltd, you will have satisfied this requirement and will receive the additional entry to the Prize Draw.

**What do we consider a salaried customer?**

For the purposes of this promotion, salary is defined as any inbound transfer from an external (non-Revolut) account into your Revolut Personal account equal to or above the value of GBP 1,500 within the period of one month before the end of the Promotion Period (i.e. between 22 May and 22 June 2026). The following are not considered eligible transfers:

- Payments from an account bearing your name, and Internal Revolut, P2P transfers or chargeback transactions.

If you do not have any qualifying salary payments during the Promotion Period, or use the CASS option below during the Promotion Period, you will not qualify for an additional entry.

**What is Switch to Revolut with CASS?**

You can move your bank account with a third party provider Revolut Bank UK Ltd using the CASS scheme through the Revolut app. Starting the process during the Promotion Period is an alternative to being a salaried customer for the second additional entry.

**How does the Prize Draw work and how do I claim the Prize?**

Within 7 business days after the end of the Promotion Period, we'll randomly select 182 winners (across Prizes 1 and 2) from all eligible entries.

If you're a winner, we'll let you know via the email address registered to your Personal account. You'll have 48 hours from the time we contact you to accept the Prize and provide us with any requested information. If you don't respond to us within this time, you forfeit the Prize and an alternative winner will be selected at random.

Once the winner communicates their acceptance, we will arrange for the Prize and necessary details to be sent via email within 30 days of the Prize being accepted.

For the Audi F1 Revolut Caps the prize will be sent to the registered address in your Revolut Personal account once you accept the prize.

**For tickets: The Prize does not include any costs related to travel, accommodation, or other expenses in attending the event. If you win, you'll be responsible for such costs.**

Decisions regarding the administration and operation of the Promotion, including the selection of the winner, are final and binding.
